ADDENDUM #1

MAY 6, 2021

This addendum #1 is being sent to all bidders as a matter of information.

This addendum clarifies questions submitted.

Any questions, please contact Jill Budny, Director of Purchasing at budnyj@westmoreland.edu.

1. You are asking for a Standard Firefighting Harness Assembly on line seven (7) in this section, we normally quote our SCBA with a Buddy Breather but can do them without it. Can you tell me if you prefer the Buddy Breather or want it without?

Without Buddy Breather is fine and prefer not to have it.

2. On the last line of this section you rechargeable batteries and charging units, we do not use rechargeable batteries and chargers but we guarantee our batteries to last one (1) year and will supply the batteries at no cost to you when we would do the annual flow testing. Please let me know if not having rechargeable batteries is going to be an issue with accepting our proposal.

That would be acceptable, instead of a charging system and batteries.
