Dear Students,

This year looks a little different than past years. Your health and safety remain our first priority as we return to our classrooms, offices, labs and community spaces. As we continue to learn and adapt to changes, we will update our website and the Westmoreland College Operating Plan.

Our Westmoreland College Operating Plan is a comprehensive plan that outlines the best practices for maintaining the health and well-being of our college community. The plan will also be subject to change as information becomes available and best practices are enhanced by the PA Department of Health (PA DOH) and the Center for Disease Control (CDC). The plan is important as it outlines your responsibility, as a student, if you have symptoms or have been in close contact with someone diagnosed with COVID-19.

Additionally, several of the resources listed in this handbook may be accessible through different modalities or at different times. The most up to date information can be found here.

As always, please do not hesitate to reach out if you have any questions or concerns. I can be reached at VPEnrollmentManagement@westmoreland.edu

How to Apply

For the 2020-2021 academic year, complete the Free Application for Federal Student Aid (FAFSA) online at <https://studentaid.ed.gov/sa/fafsa>.

Step 1: Complete the Westmoreland County Community College Admissions application online.

Step 2: Complete the Free Application for Federal Student Aid (FAFSA) online: <https://studentaid.ed.gov/sa/fafsa>. Make sure you have all required documents to complete the FAFSA, including our Federal School code (010176) and you/your parent's FSA ID and password.

Step 3: If selected for verification, you will be required to turn in additional documentation to the Financial Aid Office.

What is verification? Verification is a random process by the Department of Education that requires the campus you will be attending to verify that the information you reported on the FAFSA matches the Federal tax returns that you, spouse and/or parents filed, and any other documentation that may be required.

When you receive your Student Aid Report (SAR), it will show that you have been selected for verification, or you may check the [MyWestmoreland](#) Portal. If you are selected, you are required to submit a verification worksheet, copy of your Federal tax return transcript, and/or other supporting documentation as requested by the Financial Aid Office. Before a financial aid award can be determined, your file will need to be completed and verified. Failure to submit the documents will result in your financial aid being closed and no award being issued.

If there are corrections that need to be made to your FAFSA, your information will be resent to the Federal processors to be recalculated.

The Priority Date to have everything completed for Westmoreland County Community College is May 15. All federal verification documents should be submitted no later than July 1 to ensure on-time packaging.

Tips for completing the FAFSA:

- Make sure to include the Federal School Code (010176)
- Make sure to sign your application or include your FSA ID and your parent's FSA ID when filing electronically
- Keep a copy for your records

Minimum Standards of Academic Progress for Financial Aid

Federal and state regulations governing student financial aid require that an institution develop standards to measure academic progress toward a degree. All students will be monitored for financial aid satisfactory academic progress (SAP) whether or not financial aid was applied for or received during any academic period in which the student was previously enrolled. You may not be eligible for financial aid if you do not meet the financial aid SAP requirements. In order to maintain SAP for financial aid eligibility, students must meet four standards: a 2.0 GPA requirement, a 67% pace requirement, a minimum cumulative unit requirement and a maximum time-frame requirement (150% for your degree-seeking program of study).

Leave of Absence (LOA)

is a federally mandated policy for all students who receive Title IV federal financial assistance (Federal Pell Grants, Federal Direct Subsidized or Unsubsidized Loans, Federal Parent Loans and Student Educational Opportunity Grants) who experience an extenuating circumstance that will require them to temporarily stop attending classes. LOA refers to the specific time period during a program when a student is not in attendance. The LOA is a temporary situation and must not exceed a total of 180 days in any 12-month period. The student must have the intention of returning to their coursework after the specified number of days.

Standards of Academic Progress

All students are expected to maintain satisfactory academic progress. Satisfactory academic progress requires maintaining a cumulative grade point average of 2.0 or higher. Failure to maintain satisfactory academic progress will result in an Unsatisfactory Academic status and suspension from receiving additional financial aid. Students have the right to appeal the suspension of financial aid. A written appeal must be submitted to the financial aid office stating the reasons for not maintaining satisfactory academic progress. The appeal, academic plan and all supporting documents will be reviewed by the Financial Aid SAP Appeals Committee in the order in which they are received. The committee will notify the student of its decision by email at westmoreland.edu. Students whose appeal is approved will have their aid reinstated for the upcoming term. This term will be called Probation as their continuing eligibility will be determined after their Probationary term is over. Students on Probation should have a term GPA of 2.3 or higher and 67% pace to receive an additional term of Probation.

ENROLLMENT INFORMATION

Grades and Grade Points

Letter grades are assigned to inform students how well they have learned the material in their course(s). For each letter grade there is a corresponding number called grade points. The table below shows the grades and their grade point equivalents.

Academic Grade Achievement Grade Points

Evaluative Symbols

A Excellent = 4.0

B Good = 3.0

C Satisfactory = 2.0

D Passing (Less than satisfactory) = 1.0

F Failing = 0.0

N Failing due to lack of academic-related activity = 0.0

Non-evaluative Symbols

I Incomplete

W Withdrawal

M Military withdrawal

MW Medical withdrawal

The Grade Point Average (GPA) is computed by multiplying the point value of each grade earned by the number of semester hours of the course for which the grade is received and then dividing by the total number of credit hours attempted.

Developmental credits do count for the calculation of Satisfactory Academic Progress and are included in the metrics for the calculation of cumulative GPA, completion rate and Maximum Time Frame. Maximum of 30 attempted Remedial credits are funded with federal financial aid.

All Repeated courses will be counted in the total number of attempted credits for SAP calculation.

Transfer credits accepted by Westmoreland County Community College will be included in overall attempted credits, but not the GPA calculation.

Incomplete coursework will be considered as courses attempted, but not successfully completed.

Satisfactory Academic Progress Review

Students are evaluated at the end of each academic term (fall, spring and summer). The review process will assign a status for each student of:

- **Satisfactory:** Student has met progress standards and is eligible for aid for the following semester or academic year.
- **Warning:** Student has NOT met progress standards, but may continue receiving federal aid. Student is encouraged to seek tutoring to assist with the improvement of his/her GPA and progress. A student in the 'Warning' category is calculated based on cumulative evaluation through prior term enrollment.

- **Unsatisfactory:** Students who fail to meet the conditions of a warning, which are to maintain a minimum cumulative GPA of 2.0 and a minimum cumulative completion rate of 67%, will be placed on suspension. Students who are placed on suspension forfeit their financial aid. A student may either appeal to have their financial aid eligibility reinstated, or may notify the Financial Aid Office when they are meeting the Satisfactory Academic Progress policy so that their financial aid eligibility can be evaluated.
- **Maximum Time-Frame:** Student is no longer eligible to receive Federal or State financial aid due to having exceeded the maximum allowed credits for earning his/her program of study. Up to 30 remedial credits are removed from the total hour calculation for the maximum time frame equation for 150%.
- **Probation:** Students on Unsatisfactory or Maximum Time Frame have had their SAP Appeal and Academic Plan approved by the Satisfactory Academic Progress Appeal's Committee for financial aid reinstatement. Probation occurs when a student is now meeting the financial aid Satisfactory Academic Progress policy at the end of the probation period (semester); or the student adheres to the financial aid student academic plan.
- **Continued Probation:** Students may remain on Continued Probation status for an additional term as needed to raise their cumulative GPA above a 2.0, as long as they maintain a 2.3 term GPA each semester and complete six credit hours in the Fall and Spring and 3 credit hours in the Summer. Students with a completion rate of less than 67% must complete all attempted classes during the probation period. That means that each continued probation student would have to make a 2.3 GPA in the classes they are currently enrolled in and not withdraw or make failing grades. The student will be cleared from probation when their cumulative GPA reaches a 2.0 or higher and/or their completion rate is 67%.
- **Denied:** If the appeal is denied by the SAP Appeal's Committee, no further financial aid will be awarded to the student until the conditions of the SAP policy have been met. The student will be responsible for the payment of all tuition, fees, book charges, and any other costs associated with enrollment.

Appeal/Review Deadlines

Students wishing to appeal their SAP status of "Unsatisfactory" or "Maximum Time Frame" must submit their SAP appeal form with supporting documentation to the Financial Aid Office no later than the Census date for each term.

Student Right-to-Know

Pennsylvania's Right to Know Law took effect January 1, 2009. The law concerns public access to records at public institutions and government agencies. The most significant change in the law is that the burden of proof is now on the institution or agency to show why a record should not be released.

The law does not overrule existing laws such as the Family Educational Rights and Privacy Act (FERPA) or the Health Insurance Portability and Accountability Act (HIPAA) that limit access to certain records. In addition, 31 categories of records are exempt under the law. To find the exemptions, visit https://www.openrecords.pa.gov/Documents/RTKL/pa_righttoknowlaw.pdf, go to Chapter 7. Procedure, Section 708. Exceptions for public records.

Before submitting a request, please note:

- Requests must be in writing via either hard copy or email. Submit a request online via email.
- Requests for information must be specific as to the record(s) desired. A reason for the request is not required.
- Request must be submitted to the Right to Know Officer:
 - Lauren M. Farrell, Director/Human Resources & Assistant to the President
 - Mailing Address: 145 Pavilion Lane, Youngwood, PA 15697
 - Email: righttoknow@westmoreland.edu
 - Telephone: 724.925.4079
 - Fax: 724.925.3481
- A response to the request will be issued within five (5) business days from the time it was received by the Open Records Officer.
- The requester may be charged duplication and postage fees in keeping with the standards set by the Office of Open Records. Prepayment may be required if fees are expected to exceed \$100.
- For more information about the new Right to Know Law, visit <https://openrecords.pa.gov/>.

Crime Statistics/Reporting

Westmoreland County Community College maintains crime statistics in accordance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The Clery Act, 20 U.S.C. §1092 was originally enacted as Title II of the Student Right-to-Know and Campus Security Act of 1990 (P.L. 101-542); it was signed into federal law as an amendment to the Higher Education Act of 1965. The Clery Act was enacted to increase the accountability and transparency of Institutions of Higher Education in meeting certain responsibilities regarding the safety and security of students while on campus. In compliance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the college collects and reports specific information on campus crime statistics and campus security policies within the Annual Safety & Security Report. This federally mandated report is designed to assist students, prospective employees, and the public with their awareness of institutional security policies and procedures.

Section 170101 of the Violent Crime Control and Law Enforcement Act of 1994, Pub. L. 103-322, 108 Stat. 1796, 2038 (codified at 42 U.S.C. 14071) contains the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (the "Wetterling Act"). The Wetterling Act sets minimum national standards for state sex offender registration and community notification programs. After the publication of the Wetterling Act guidelines, Congress amended the Wetterling Act in the Campus Sex Crimes Prevention Act (the "CSCPA"), Pub. L. 106-386, div. B, § 1601, 114 Stat. 1464, 1537 (2000). The CSCPA provides special requirements relating to registration and community notification for sex offenders who are enrolled in or work at institutions of higher education. Pursuant to 42 Pa.C.S. § 9799.28 and § 9799.63, the Pennsylvania State Police has established a website to provide timely information to the public on registered sexual offenders who reside, or are transient, attend school, or are employed/carry on a vocation, within this Commonwealth. Information may be obtained by visiting the Pennsylvania State Police Megan's Law website at www.pameganslaw.state.pa.us.

Some school applicants are asked about their criminal history and federal law requires certain disclosures on financial aid forms. Failure to provide such information when required for specific education programs may impact a student's ability to participate in the education program.

All prospective college employees must undergo a background check in accordance with Pennsylvania Act 153. In order to receive Act 153 clearance, three background checks must be performed which include a Criminal History Record from the Pennsylvania State Police (PATCH) system, Child Abuse Clearance obtained through the Department of Public Welfare, in addition to FBI Fingerprint screening. PA Act 153 clearances must be renewed every 60 months.

Distance Education

Westmoreland County Community College understands that balancing college with other responsibilities is challenging. Our online/distance learning courses offer a complementary alternative to the traditional learning environment. These modes of learning allow students from any location to use state-of-the-art interactive web conferencing technologies and a learning management system at convenient times and locations for the student. This environment provides a flexible and engaging learning environment for students with a rigorous schedule.

Westmoreland currently uses Desire2Learn (D2L) as a learning management system and Zoom for web conferencing. The various course formats offered are detailed below:

Online Courses

These courses are conducted via the course management system. Students have the options of using a personal computer at home, campus lab, library or at a preferred location. Students engage remotely via discussion boards, assignments, group projects and adhere to deadlines set within the course. Online courses may require proctored exams at the discretion of the instructor. Courses are indicated by ending in W_ in the College Catalog. (Course code examples: EDU 200 WA)

Blended (Hybrid) Courses

These courses meet real-time in a face-to-face setting, on ground, at a predetermined classroom location, date and time. Instruction is split between learning activities online and in a specified location, based on subject matter. Students and instructors will meet in a face-to-face classroom/lab setting at least once a week and complete work asynchronously (outside of the classroom) for the remaining class time. A portion (no more than 50%) of the planned instruction and testing will occur outside of the classroom, when the students and instructor(s) are not in the same place. Courses will utilize a course management system and other technologically-enhanced components. Courses are indicated by ending in B_ in the College Catalog. (Course code example: PDV 101 BA).

Web Conferencing

These courses are conducted real-time in a face-to-face setting at specific dates and times, involving two or more locations. Courses may be offered at the Youngwood campus or at other college locations (Murrysville, Fayette, Indiana, Latrobe and New Kensington). Instructors may alternate instructing from each location, communicating through a TV monitor, microphone or telephone conferencing system. Students may attend at any of these locations and will see and speak with the instructor and students at all sites in real time. A learning management system and web conferencing technology will be utilized. Courses are indicated by ending in _0 in the College Catalog. (Course code examples: ALH 120 30-New Kensington)

Live Remote Instruction

These courses are live-streamed, real-time courses, that allow students to meet via Zoom web conferencing. Students may log in to these courses from home, a library or computer lab and utilize chat, audio, and video to communicate with their instructor and peers. This method is supplemented by Desire2Learn, which is an online classroom that houses assignments, content, activities, and grades. For the best experience, students are required to have access to a camera, microphone, and audio. Courses are noted with the location REM in the College Catalog. (Course code example: ENG 161 RA or R1).

Blended Live Remote Instruction

In these courses, half of the content is delivered online and half via Zoom web conferencing. These are similar to traditional blended courses, with the exception being that the face-to-face component is replaced with live-streamed video meetings. Students may log in to these courses from home, a library or computer lab and utilize chat, audio, and video to communicate with their instructor and peers. This method is supplemented by Desire2Learn, which is an online classroom that houses assignments, content, activities, and grades. For the best experience, students are required to have access to a camera, microphone, and audio. Courses are noted with the location REM in the College Catalog. (Course code example: BUS 120 BRA, or BR1).

The SGA serves as a liaison between students, faculty, and administration.

Student Organizations

They are also a great way to make social connections and engage in service projects. All student clubs and organizations must be recognized officially by the Student Government Association and the college in coordination with the Student Life Office.

Some clubs are co-curricular, meaning that they are associated with an academic program or major. For example, some co-curricular groups include the Early Childhood Education Club, the Humanitarian/Social Work Club, Student American Dental Assistants Association, Student American Dental Hygienists Association, and Student Nurse Association of Pennsylvania (SNAP).

Other groups focus on shared interests. Some of these clubs include Anime Club, ReachOut Christian Club, Westmoreland Gaming, and the Writers Guild.

Code of Student Conduct

Purpose and Rationale

Westmoreland County Community College (Westmoreland) is a learning-centered college focused on student success thus a positive educational environment is imperative. In order to ensure the health, safety, protection, and positive learning environment, Westmoreland has established the Code of Student Conduct.

Westmoreland holds that the purpose of the policies regarding the student conduct and disciplinary process is to establish guidelines for the educational environment within the College. Further, Westmoreland views the student conduct in a holistic and developmental manner; thereby, seeking educational growth and development throughout the process.

Whereas Westmoreland is a learning-centered environment, every member of the campus community should familiarize themselves with the Code of Student Conduct, Student Handbook, and College Catalog.

Statement of Jurisdiction and Authority of Administration of the Code of Student Conduct

The following policies and procedures regarding conduct and disciplinary action are applicable to any Westmoreland location or function, the use of college properties, college-sponsored events and activities on or off campus. Westmoreland reserves the right to take any necessary and/or appropriate steps to protect the safety and well-being of the campus community. While Westmoreland's jurisdiction will generally be limited to conduct occurring on campus properties or at Westmoreland sponsored activities, a student who is charged with a crime as a result of off campus behavior, and who represents a risk to the reputation, health, or safety of the campus community may also be subjected to the Code of Student Conduct disciplinary process. Finally, jurisdiction may be extended when a student, or student organization, commits a prohibited act off campus against a student, faculty, or employee of Westmoreland, or the college itself, when such an act is related to the student or accuser's status within the college.

The vice president of Enrollment Management has been designated by the college president as the person responsible for implementing and enforcing the Code of Student Conduct. In cases where conflicts of interest arise, the vice president of Enrollment Management's designee will coordinate the process.

Anti-Hazing Policy

References:

Pennsylvania Senate Bill 1090, amending Title 18 of the Pennsylvania Consolidated Statutes by adding a chapter Chapter 28, Anti-hazing.

Policy:

All acts of hazing are prohibited at Westmoreland County Community College. No Westmoreland student, individually or as part of a registered student club or organization, is permitted to engage in behavior that is likely to cause physical or psychological harm to any other person within the college community. Such behavior is a violation of this policy, the Code of Student Conduct, and may be considered a criminal act in the Commonwealth of Pennsylvania.

Policy Overview and PA Law:

All acts of hazing are prohibited. No student or Westmoreland County Community College registered student club or organization shall engage in an act that is likely to cause physical or psychological harm to any other person within the college community.

Under the Pennsylvania Crimes Code, 18 Pa.C.S. §§ 2801 et seq., hazing is defined as follows:

A person commits the offense of hazing if the person intentionally, knowingly or recklessly, for the purpose of initiating, admitting or affiliating a minor or student, applicant or admitted individual into or with an organization, or for the purpose of continuing or enhancing a minor or student, applicant or admitted individual membership or status in an organization, causes, coerces or forces a minor or student, applicant or admitted individual to do any of the following:

1. Violate federal or state criminal law;

2. Consume any food, drink, alcoholic liquid, drug or other substance that subjects the minor or current student, applicant or individual to a risk of emotional or physical harm;
3. Endure brutality of a physical nature, including whipping, beating, branding, calisthenics or exposure to the elements;
4. Endure brutality of a mental nature, including activity adversely affecting the mental health or dignity of the individual, sleep deprivation, exclusion from social contact or conduct that could result in extreme embarrassment;
5. Endure brutality of a sexual nature; and
6. Endure any other activity that creates a reasonable likelihood of bodily injury to the minor or student, applicant or admitted individual.

The definition of hazing does not include reasonable and customary athletic, law enforcement or military training, contests, competitions or events.

Hazing is also a crime and constitutes a summary offense. If the hazing results in or creates a reasonable likelihood of bodily injury to a minor or student, applicant or admitted individual, it is a misdemeanor of the third degree.

Aggravated hazing, a felony of the third degree, results from hazing that causes serious bodily injury or death to a minor or student, coercion or the force of alcoholic consumption or drug by the minor or student.

The College, and organizations, are subject to criminal penalties for intentionally, knowingly and recklessly promoting or facilitating hazing or aggravated hazing.

Smoking/Tobacco and Tobacco-Related Products-Free Policy

In an effort to provide a safe and healthy working and learning environment, Westmoreland County Community College adopts the following Smoking, Tobacco, and Tobacco-related Products Policy:

I. Rationale:

Westmoreland County Community College has a responsibility to its students, staff, faculty and visitors to provide a safe and healthy environment. Research shows that smoking and exposure to secondhand smoke are significant health hazards for both smokers and non-smokers. Improperly discarded cigarette butts and other smoking and tobacco product residue are environmental pollutants that pose dangers to humans and wildlife. In addition to these hazards, smoking and discarded cigarettes may create fire hazards and increased cleaning, maintenance, and repair costs; exacerbate student and employee illness resulting in lost class and work time; decreased productivity; and increased healthcare and insurance costs. In light of the above findings, Westmoreland County Community College will become entirely smoke (smoking) and tobacco-free.

II. Definitions:

- A.** "Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. "Smoking" also includes the use of an electronic smoking device that creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for circumventing the prohibition of smoking in this Article.
- B.** "Tobacco and Tobacco-Related Products" means any substance containing tobacco leaf, including but not limited to, cigarettes, cigars, pipe tobacco, hookah tobacco, snuff, chewing tobacco, dipping tobacco, bidis, blunts, clove cigarettes, or any other preparation of tobacco; and any product or formulation of matter containing biologically active amounts of nicotine that is manufactured, sold, offered for sale, or otherwise distributed with the expectation that the product or matter will be introduced into the human body by inhalation, ingestion, or absorption; but does not include any cessation product specifically approved by the U.S. Food and Drug Administration for use in treating nicotine or tobacco dependence.
- C.** "Electronic Smoking Device" means any product containing or delivering nicotine or any other substance intended for human consumption that is used by a person in any manner for inhaling vape or aerosol from the product. The term includes such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

STUDENT POLICIES & PROCEDURES

III. Smoking and Tobacco Use Prohibited on the Westmoreland County Community College Youngwood Campus and all Education Centers

All employees, students, visitors, and other College constituents are prohibited from using any smoking, tobacco and tobacco-related products on all College-owned and College-operated property. This includes the Youngwood location as well as all Center locations.

IV. Promotion and Sale of Tobacco Products Prohibited on the Westmoreland County Community College Youngwood Campus and all Education Centers

The advertising, sale, or promotional distribution of tobacco or other smoking-related products on campus is prohibited.

V. Compliance:

The success of this policy depends on the thoughtfulness, civility and cooperation of all members of the campus community, including visitors. Compliance is grounded in an informed and educated campus community. As with all campus policies, it is a standard and reasonable duty of all Westmoreland students, employees and visitors to comply with the provisions of this policy.

Students are subject to disciplinary actions per the Code of Student Conduct if found in violation of this policy.

Employees are subject to disciplinary actions per the Discipline Policy if found in violation of this policy. Visitors who do not comply with this policy will be asked kindly to comply and, if they refuse, will be asked to leave the premises by security personnel.

VI. Dissemination of Policy; Signage

This policy will be disseminated by publication on the College web page(s) and included in all appropriate publications containing College policies effecting students, employees and visitors. All College building entrances and College property access points will exhibit appropriate signage informing students, employees and visitors of the existence of this policy.

VII. Effective Date

This policy will be in effect as of August 1, 2020.

Family Educational Rights and Privacy Act - FERPA

Federal law requires that Westmoreland County Community College provide every student with access to his/her academic file. Information contained in the academic file relates only to the student's academic history and performance.

At the present time, the following information is maintained in a student file:

1. Application form
2. Permanent transcript
3. Placement assessment scores
4. Course registration information
5. Course approval forms (i.e. course substitution forms, course waiver forms, advanced standing forms, etc.)
6. Graduation information (when applicable)

Any student wishing to inspect the contents of his or her file may do so by completing a "Request for Academic File Review" form and submitting it to the Student Records Office. Students may inspect their academic file during normal working hours (Monday through Friday, 8 a.m.-5 p.m.), provided they have made a written request at least two working days in advance.

You have the right, by law, to keep all the information in your file confidential. However, the College has established a category of information known as Directory Information.

Directory Information may include: student name, address, phone number, date of birth, major field of study, participation in activities and sports, dates of attendance, degrees and awards received and previous schools attended.

Because of its very general nature, the student normally releases Directory Information without a signed consent.

Since Directory Information does not include grades, financial data or any other strictly personal data, we expect very few students will wish this information withheld. If, however, you do not wish directory information released without your signed consent, please complete a Request to Prevent Disclosure to Directory Information form at the Records Office immediately. Your written notice to keep Directory Information confidential will be placed in our file and no information will be released unless a signed release form is presented with your signature. Any further questions you may have concerning this may be directed to the Student Records Office.

Westmoreland County Community College will disclose personally identifiable information (PII) from a student's education records to appropriate parties in order to address a health or safety emergency. FERPA's health or safety emergency provision permits such disclosures when the disclosure is necessary to protect the health or safety of the student or other individuals.

Civil Rights/Title IX Policy and Complaint Procedure

Nondiscrimination Policy

Westmoreland County Community College will not discriminate in its educational programs, activities or employment practices based on race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, union membership or any other legally protected classification. Announcement of this policy is in accordance with state law including the Pennsylvania Human Relations Act and with federal law, including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 503 and 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans with Disabilities Act of 1990. Scope of Procedure

Westmoreland County Community College has adopted an internal procedure providing for prompt and equitable resolution of complaints alleging discrimination, harassment and/or retaliation in violation of federal or state civil rights laws, including those laws enforced by the U.S. Department of Education, Office of Civil Rights. The departments of the Federal Government enforce the following laws that prohibit discrimination, harassment and/or retaliation in programs or activities that receive federal financial assistance:

STUDENT POLICIES & PROCEDURES

- **Title VI** of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, and national origin.
- **Title IX** of the Education Amendments of 1972 (20 U.S.C. Section 1681, et. seq.) prohibits discrimination on the basis of sex/gender; including sexual misconduct, sexual harassment and/or sexual violence. On May 4, 2020, the Department of Education Office for Civil Rights issued new Title IX regulations (DOE Regulations) which direct how educational institutions must address incidents of sexual assault and harassment involving both students and employees.
- **The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)** as amended by the Campus Sexual Violence Elimination Act (SaVE Act) prohibits sexual harassment, sexual misconduct and acts of sexual violence, including sexual assault, domestic violence, dating violence and stalking.

- **Title II** of the Americans with Disabilities Act of 1990 (prohibiting disability discrimination by public entities, whether or not they receive federal financial assistance).

Interim Additional Protocols for Title IX Policy and Complaint Procedure

Effective for Complaints on or after August 14, 2020

On May 4, 2020, the Department of Education Office for Civil Rights issued new Title IX regulations (DOE Regulations) which direct how educational institutions must address incidents of sexual assault and harassment involving both students and employees. These most recent regulations have significantly changed schools' obligations with regard to investigating and adjudicating incidents of sexual assault and harassment involving their students and employees. Consequently, changes are now required to the College's current Title IX Policy and Complaint Procedure (Current Policy).

Since May 4, 2020, several lawsuits were filed in various federal courts attempting to enjoin the implementation of the DOE Regulations. The outcome of many of these legal actions is still pending. Accordingly, the following changes to the Current Policy are being adopted on an interim basis. If the new Title IX regulations are upheld as issued, then these interim protocols will be added as revisions to the Current Policy without further action required by the Board of Trustees. If the new regulations are struck down, then this interim policy will become null and void and the Current Policy will remain in place. If partial implementation is ordered, then the Board of Trustees will be presented with a new Title IX Policy and Complaint Procedure which complies with the courts' order(s).

The College adopts the following Interim Additional Protocols for the Current Policy. Any conflict in terms of the Current Policy and these interim protocols are to be resolved in favor of these interim protocols and in accordance with the DOE Regulations.

- 1. Nondiscrimination Policy:** The College does not discriminate in its educational programs, activities or employment practices based on race, color, national origin, sex, sexual orientation, gender identity or expression, disability, age, religion, ancestry, veteran status, union membership or any other legally protected classification.
- 2. Definition of Sexual Harassment:** The Current Policy definition of Sexual Harassment will be expressly revised to also include the Current Policy's definitions of Sexual Assault, Dating Violence, Domestic Violence and Stalking. These definitions use the Clery Act and Violence Against Women Reauthorization Act definitions.
- 3. Title IX Coordinator:** The College employees designated as the Title IX Coordinators are Lauren Farrell for employees and Dr. Sydney Beeler for students. Persons who are not students or employees of the College having question for or wishing to make a report to the Title IX Coordinator may contact either Ms. Farrell or Dr. Beeler or address an email to titleixcoordinator@westmoreland.edu. The Title IX Coordinators may be reached by mail at 145 Founders Hall, Youngwood, PA 15697. Their email addresses are farrell@westmoreland.edu and beeler@westmoreland.edu. The Title IX Coordinators may be contacted by telephone as follows: Lauren Farrell 724-925 4079 and Dr. Sydney Beeler 724925-4050. The Title IX Coordinators are responsible for coordinating the College's efforts to comply with the Current Policy and this interim policy. The College will post the Title IX Coordinators' contact information on the College website independent of this interim policy and the Current Policy in a manner intended to inform students, employees and applicants for admission and employment of the manner in which the Title IX Coordinators may be reached.

STUDENT POLICIES & PROCEDURES

4. Mandatory Response Obligations: The College will respond promptly to actual knowledge of allegations of Sexual Harassment in a manner which is not clearly unreasonable in light of the known circumstances. The College will have actual knowledge if a report is made to the Title IX Coordinator or in any other manner specified in the Current Policy. The Title IX Coordinator will promptly contact the Complainant confidentially to discuss the availability of supportive measures detailed in the Current Policy, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a formal complaint and explain to the Complainant the process of filing a formal complaint. The College will follow the Grievance Process outlined below before imposition of any disciplinary sanctions or other actions that are not supportive measures against a Respondent. A Complainant's wishes with respect to whether the College conducts an investigation will be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the Complainant is not clearly unreasonable in light of the known circumstances. If allegations in a formal complaint do not meet the definition of Sexual Harassment or did not occur in a College educational program or activity or against a person in the United States, then the College shall dismiss such allegations for the purposes of Title IX but may still address the allegations in any manner the College deems appropriate under its other applicable policies.

5. Training /Title IX Coordinator, Investigator and Hearing Officer: The College shall provide training for the Title IX Personnel (Title IX Coordinator, Investigator and Hearing Officer). Separate individuals shall serve as Title IX Coordinator, Investigator and Hearing Officer in determining the outcome of each individual formal complaint. However, serving as Title IX Coordinator on one case will not prevent the same individual from serving as the Investigator on another distinctly different formal complaint so long as the individual has received training as both an Investigator and Title IX Coordinator. Title IX Personnel shall be free of conflicts of interest or bias for or against Complainants or Respondents. Training of Title IX Personnel shall include but not be limited to: the definition of Sexual Harassment; the scope of the College's education programs and activities; how to conduct an investigation and grievance process including hearings, appeals and informal resolution processes, as applicable; how to operate any technology to be used in a live hearing; training on issues of relevance, including how to apply the rape shield protections provided for Complainants; and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest and bias. The College shall post all of the Title IX Personnel training materials on its website.

6. Grievance Process:

Step 1: Formal Complaint/Notice. A formal complaint may be filed with the Title IX Coordinator in person, by mail or by electronic mail by using the contact information contained in this policy or by any other method specified in the Current Policy. Upon receipt of a formal complaint, both parties will be sent a written notice of complaint by the Title IX Coordinator. Such written notice shall contain the relevant allegations of the complaint. Both parties have the opportunity to select an advisor of the parties' choice who may be, but need not be, an attorney. All formal complaints will be investigated.

Step 2 Investigation. The Title IX Coordinator shall select a trained Investigator to conduct an investigation of the formal complaint. The College may consolidate formal complaints where the allegations arise out of the same facts. The College will send the parties advance written notice of any investigative interviews, meetings, or hearings at which the party is expected to be present. The Investigator may gather information in multiple ways. The Investigator may collect relevant documents and other information and may also interview parties and/or witnesses. In addition, a Complainant or Respondent may: submit documentary information to the Investigator; submit a list of witnesses to be interviewed by the Investigator; and/or request that the Investigator attempt to collect documents and other information that are not accessible to the requesting party. Any privileged or otherwise legally protected information such as a party's medical, psychological and similar treatment records will not be disclosed without the protected party's written consent. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. After the Investigator has concluded the collection of evidence, the Investigator will send the parties and their advisors all evidence directly related to the allegations, in electronic format or hard copy, with at least ten (10) calendar days for the parties to inspect, review, and respond to the evidence. This is the opportunity for the parties to identify New Evidence or Rebuttal Evidence. New Evidence is evidence that was not available earlier in the process, could not have been available based on reasonable and diligent inquiry, and is relevant to the matter. Rebuttal Evidence is evidence presented to contradict other evidence

STUDENT POLICIES & PROCEDURES

in the file, which could not have been reasonably anticipated by a party to be relevant information at the time of the investigation. New Evidence and Rebuttal Evidence may be included or excluded from the file, but in no event is this section intended to permit a party who has declined to give a statement about the incident during the Investigation to give such a statement for the first time after the Investigator has concluded the collection of all other evidence. This section is intended to be invoked in rare instances to allow for the inclusion of information that was not available during the investigation or that could not have been reasonably anticipated to be relevant to rebut an issue that came to light.

Step 3. Investigative Report. After the Investigator has received and considered the parties' responses to the evidence, the Investigator will complete an Investigative Report that fairly summarizes the relevant evidence. The Title IX Coordinator will make the Investigative Report available to the parties and their advisors in electronic format or hard copy, with at least ten (10) calendar days for the parties to respond in writing to the Investigative Report. After the Title IX Coordinator has reviewed the parties' responses to the Investigative Report, the Title IX Coordinator will make the determination whether to dismiss the Formal Complaint in accordance with the mandatory or discretionary dismissal criteria established by the DOE Regulations or to proceed to a hearing. The parties will be given a written notice of dismissal (mandatory or discretionary) specifying the reasons for dismissal.

Step 4. Hearing. Hearings may be conducted with any or all parties, witnesses, and other participants appearing at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other, or with all parties physically present in the same geographic location. The presumption will be that the hearing will take place virtually, unless either party requests otherwise or the College otherwise determines that an in-person hearing is appropriate. If the hearing takes place with all parties physically present, the College will provide for the option for the hearing to occur with the parties located in separate rooms with technology enabling the Hearing Officer and parties to simultaneously see and hear the party or the witness answering questions. Hearings will be recorded through audio or audiovisual means or transcribed, and the College will make the recording or transcript available to the parties for inspection and review upon request. If a party does not have an advisor present at the hearing, the College will provide one without fee or charge. Such an advisor of the College's choice may or may not be an attorney. The Hearing Officer will preside over the hearing and will issue

a Written Determination Regarding Responsibility. The Hearing Officer will be identified to the parties before the hearing at least three days prior to the hearing. The Hearing Officer may or may not be a College employee but in any case will have undergone the College's Title IX training program. At the hearing, the Hearing Officer will permit each party's advisor to ask the other party and any Witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the hearing must be conducted directly, orally, and in real time by the party's advisor and never by a party personally. The parties may, however, jointly agree in advance to waive oral cross-examination and instead submit written cross-examination to the Hearing Officer to conduct the examination. Even if the parties so agree, the parties are still required to have an advisor. The College has discretion to otherwise restrict the extent to which the advisor may participate in the proceedings. The Hearing Officer will permit parties and witnesses to take breaks, as needed, during cross-examination. The Hearing Officer will also ensure the advisors are conducting any live cross-examination in a professional and courteous manner. The Hearing Officer will not permit the advisor to badger or harass witnesses or parties. Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the Hearing Officer must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. The Hearing Officer will prohibit any questions and evidence about the Complainant's sexual predisposition or prior sexual behavior as not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. If a party or witness does not submit to cross-examination at the live hearing, the Hearing Officer must not rely on any statement of that party or witness in reaching a determination regarding responsibility. The Hearing Officer cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions. The Investigator will be available at the hearing to answer any questions from the Hearing Officer about the Investigation. After conclusion of the hearing, the Hearing Officer shall simultaneously issue to each party a Written Determination Regarding

STUDENT POLICIES & PROCEDURES

Responsibility, applying the preponderance of the evidence standard, which shall include: a) identification of the allegations potentially constituting Title IX Sexual Harassment; b) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; c) findings of fact and conclusions about whether the alleged Title IX Sexual Harassment occurred, applying the definitions set forth in this policy and the Current Policy to the facts; d) the rationale for the result as to each allegation; e) any disciplinary sanctions imposed on the Respondent consistent with those in the Current Policy; f) whether any remedies or additional supportive measures will be provided to the Complainant; and g) information about how to file an appeal.

- 7. Appeals:** Appeals from a Written Determination of Responsibility may be made in the manner provided by the Current Policy with the addition of the following grounds for appeal: procedural irregularity that affected the outcome of the matter; newly discovered evidence that could affect the outcome of the matter; and/or Title IX Personnel had a conflict of interest or bias that affected the outcome of the matter.
- 8. Informal Resolution:** The College at its discretion may choose to offer and facilitate informal resolution options, such as mediation or restorative justice, so long as both parties give voluntary, informed, written consent to attempt informal resolution. The College will not offer the informal resolution process unless a formal complaint is filed. No offer of informal resolution will be made to resolve allegations that an employee sexually harassed a student. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. Any person who facilitates an informal resolution will be well trained to do so prior to selection as a facilitator by the College. The College will not require as a condition of enrollment, continued enrollment, employment or continued employment the waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment.

Records and Documents

Name Change

The college recognizes that as a community many of its members use names other than their legal names to identify themselves. The college acknowledges that a "preferred name" can and should be used wherever possible in the course of college business and education. However, if a legal name change has taken place, please provide legal documentation so that your academic records can be updated accordingly.

A legal name change can be initiated through the state of the person's legal residence. Once this is accomplished, the student can go to the local Social Security office to get a new Social Security card, and then use that to change everything else, including a driver's license or state-issued ID.

Campus In-Use Name Policy

In order to change a name on institutional records such as a transcript, please follow instructions outlined in the change of name procedure which can be obtained from the Registrar.

Once a student completes a Change of Name Form with the Registrar's Office and it is approved, they may contact the Information Technology Help Desk (helpdesk@westmoreland.edu) to request an update to their email display name with their preferred name. Students can request this change by emailing the college's Information Technology Help Desk at helpdesk@westmoreland.edu.

Westmoreland ID Card

The college recognizes that it is important for a student's college identification card to reflect their current appearance and name. In order to meet this need, we offer the following options:

- If the student has legally changed their name and has changed their name with the Registrar's office, they can obtain a new ID card with your new name from Student Services, Room 130.
- If the student has not yet changed their name, they can obtain an ID card that only lists their first initial and last name. Please contact Student Services for further information.
