Specifications:

Interactive diversity training for students, faculty and staff from a higher education prospective.

This training should help all members of the Community College become more culturally competent, empathetic, and self-aware.

In addition, the goal of the training program is to help enhance awareness and understanding of issues related to diversity, equity, and inclusion, including topics that will help our college build an inclusive community college.

Approximately 3,500 students.

Approximately 400 full-time faculty and staff.

Please separate out the cost per module for each training group if necessary.

In addition to the pricing, please provide detail/flier of the training solution.
