Course Overview
ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS). The Emergency Management Institute developed its ICS courses collaboratively with:

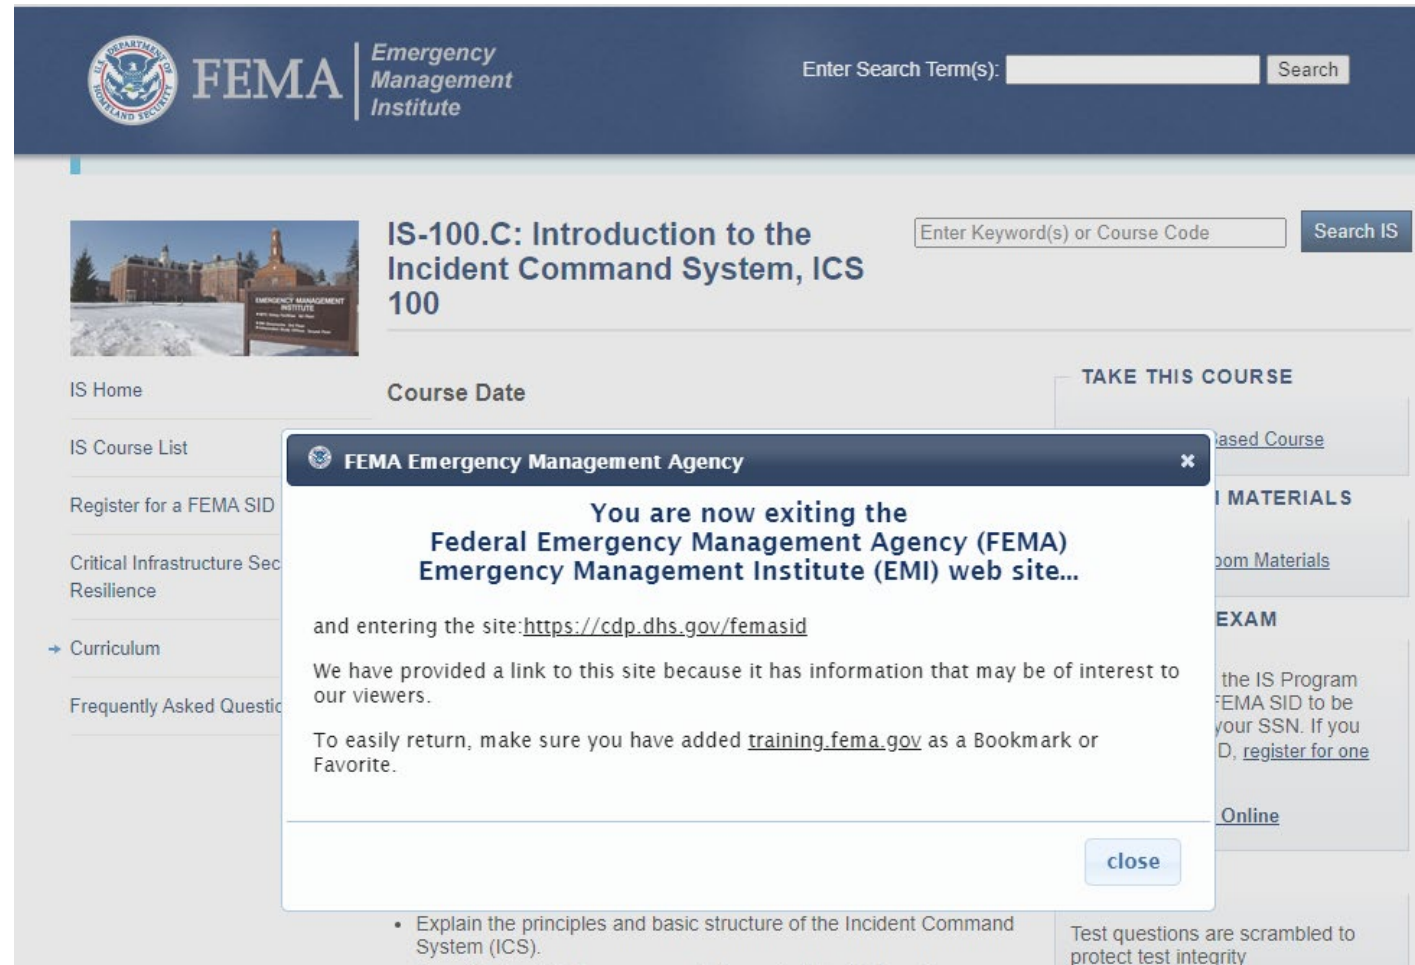

- National Wildfire Coordinating Group (NWCG)
- U.S. Department of Agriculture
- United States Fire Administration's National Fire Programs Branch

What is a FEMA SID?

FEMA Student Identification (SID) number is a unique number generated and assigned to anyone who needs or is required to take training provided by a FEMA organization. Your FEMA SID uniquely identifies you throughout the FEMA organization and all of its agencies. The goal is for your FEMA SID to serve as your personal identification number instead of

The screenshot displays the FEMA training website interface. The main content area is titled "PUBLIC BURDEN DISCLOSURE NOTICE" and includes a "Notice:" section stating that as of April 1, 2015, FEMA no longer accepts Social Security Numbers (SSN) for exam submission. It instructs users to use a Student Identification (SID) number or a FEMA-issued PIV card. The form includes input fields for "Student Identification (SID) Number" and "Last Name (Use the last name that you used when signing up for your SID)". A checkbox labeled "I Agree" is present. To the right, there is a section titled "Do you have a FEMA issued PIV card?" with instructions on how to use it for login. Below this, there is a link for "Having trouble logging in with your PIV Card? Click on this link for some helpful tips." and another "I Agree" checkbox. The right sidebar contains navigation links for "TAKE THIS COURSE", "CLASSROOM MATERIALS", "TAKE FINAL EXAM", and "NOTICES". The bottom section lists "Primary Audience" and "Prerequisites".
