

Camp scholarships cover 100% of camp fees and will be awarded on a first-come, first-served basis to students who express financial need.

Scholarship Guidelines

- Funds are limited, thus qualifying for a scholarship does not guarantee a scholarship award.
- A scholarship award does not guarantee a spot in a camp. Some camps have limited space.
- A scholarship application does not register your child for the camp. To register for a camp(s), call telephone registration at 1.800.262.2103, extension 4204 or go to westmoreland.edu/campreg.
- Scholarships are not available for all camps.

Scholarship Application Process

- Complete the application and send it to con-ed@westmoreland.edu or Westmoreland County Community College, Continuing Education, 145 Pavilion Lane, Youngwood, PA 15697.
- Complete one form per child.
- It is preferred that applications be submitted prior to the start date of the camp.
- If you have questions, contact Sylvia Detar at 724.925.4190 or detars@westmoreland.edu.
