

Professional Liability Insurance for Nurse Aide Students

An option for this insurance is below. You can use any company you choose.

<http://www.nso.com>

Annual Premium + fees = \$40.00

Limits of Liability - \$1,000,000 - \$3,000,000

Two Ways to Apply

1. Online

Processing Time: If you choose online application process, you can receive your Certificate of Insurance (proof of coverage) within one business day of your application approval.

Payment: To use this option, **payment via credit or debit card, in your name**, is required at the time of the application. (Because this online transmission does not allow for your actual signature, your credit card acts as your signature. Therefore, the credit or debit card used for payment **MUST** be in your name.)

2. Mail

Complete the application online, then print a copy and submit it to our office via mail or fax.

Processing Time: Your application will be processed within 7 - 10 days of receipt. If you need to receive proof of coverage in a timelier fashion, select the Online option above and e-billing on the application that follows.

Payment: You can submit a check or credit/debit card information with your application, or receive a bill after your application is processed. (Bill Me Later option not available for students.)

Rates, limits and coverage may vary based on state, profession, and employment status.
