The WCCC/Pitt Connection Transfer Guide

Dear Prospective Transfer Student,

Greetings, and welcome to the online version of the ***WCCC/Pitt Connection Transfer Guide***.

I hope that you find it to be a useful tool as you plan your academic program at WCCC in anticipation of your successful transfer to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at WCCC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies, and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil
Transfer Counselor
Office of Admissions and Financial Aid

Using The Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your WCCC coursework
- **Maximizing** the number of credits you can earn at WCCC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences Kenneth P. Dietrich School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The WCCC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement **(Foundational Skills, Disciplinary Approaches, or Elective)** that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Computing and Information, Education, Engineering, Health and Rehabilitation Sciences, Nursing, Pharmacy, and Social Work**.

IMPORTANT: The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

Dietrich School of Arts and Sciences General Transfer Policies

The Dietrich School of Arts and Sciences offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).

2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.

3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.

4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.

5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.

6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.

7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-CAS category. A maximum of 18 credits in this category can count towards graduation.

8. At least 50 percent of the credits required in your major and official minor must be earned in Arts and Sciences

9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.

10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.

11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence.

CLEP: CLEP (Credit for Life Experience) credits do not transfer to the School of Arts and Sciences.

GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:
The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree and your major from 30 to 64 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, ie, Composition, Algebra, Second Language (algebra and general writing MUST be completed before transfer to Arts and Sciences)
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

Bachelor of Arts and Bachelor of Science Arts and Sciences Degree Requirements

The faculty of the Dietrich School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and General Education Requirements.

A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)

   1. Writing Requirements:

      The writing requirement consists of:

      a. Basic Writing _____

      b. Seminar in Composition _____

      c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer.

   2. Quantitative and Formal Reasoning

      a. Algebra _____

      b. Quantitative _____

B. General Education Requirements (46 Credits)

   1. Humanities Requirements:

      a. First Level Literature: _____

      b. First-level Music or Art: _____

      c. Creative Expression/Second Level Literature or Art:

      _____

      d. Philosophy: _____

   2. Social Science Requirements

      a. Social Science: _____

      b. History: _____

3. **Natural Science Requirements:** Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

   a. Course one: _____

   b. Course two: _____

   c. Course three: _____

4. **Global Citizenship Requirement**

   Second Language (Two-term sequence of the same language equivalent to Pitt number)

   a. Level One_____

   b. Level Two_____

A sequence of two courses in a Second Language: All students are required to complete with a grade of C or better two terms of university-equivalent study in a second language other than English. Exemptions will be granted to students who can demonstrate elementary proficiency in a second language through one of the following:

a) having completed three years of high school study of a second language with a grade of B or better in each course;
b) passing a special proficiency examination;
c) transferring credits for two terms or more of approved university-equivalent instruction in a second language with grades of C or better;
d) having a native language other than English

Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

   a. _____

   b. _____

   c. _____

   d. _____ (Non-Western).

College of Business Administration

The University of Pittsburgh's **College of Business Administration (Pitt Business)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Business Information Systems
- Finance
- Global Management
- Human Resources Management
- Marketing
- Supply Chain Management

Pitt Business is fully accredited by the AACSB International, the premier accrediting agency for collegiate programs in business. In addition, Pitt Business is ranked a top-25 public undergraduate business program by *U.S. News and World Report.*

Transfer Admission to Pitt Business
Admission is available for the Fall (August), Spring (January), and Summer (May) semesters on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA program may be completed full-time or part-time.

Transfer Process and Approved Courses
It is recommended that you complete at least 45-60 credits at WCCC prior to transferring to Pitt Business. To best prepare for admission, make sure to take the following courses while you are at WCCC:

- MTH 172 Analytical Geometry and Calculus I (4 credits) or BUS 250 Calculus for Business (3 credits)
- ECN 255 Macroeconomics (3 credits)
- ECN 256 Microeconomics (3 credits)

These courses will transfer to Pitt Business and will be considered heavily in the admissions process. While at WCCC, you may also complete courses that fulfill the Pitt Business general education requirements, as well as take approved business courses.

Other requirements that you may choose to complete while at WCCC are as follows:
- ENG 161 College Writing (3 credits)
- Foreign language (if needed, see language requirement)-a two-course sequence
- English literature—one course
- Music/Art—one course

- Philosophy—one course
- Social Sciences—two courses in two different departments
- Natural Sciences—two courses
- Foreign Culture—two courses
- Introduction to Business course
- Principles of Marketing course
- Accounting courses

WCCC courses approved to meet these requirements are listed on the following pages.

Admission to Pitt Business
For admission consideration, we suggest that community college students earn a 3.00 cumulative GPA at a minimum. We will also look for strong performance (A's and B's) in the three required courses previously listed (calculus, macroeconomics, and microeconomics) as well as in any other math and business course taken. For admissions purposes, Pitt Business will consider the grade earned in these courses the first time they are taken, without including the effect of course repeats. In addition, performance at all colleges attended will be taken into consideration.

When scheduling, remember:
- You must earn a grade of 'C' or better in a course for it to transfer.
- You may need to take other math and/or English courses to prepare for calculus and composition courses listed here. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early on (preferably in your first semester). Your performance in math coursework will be an important factor in the admissions process.
- If you haven't already fulfilled our foreign language requirement with high school coursework (see Foreign Language Requirements below), you may complete it before transferring to Pitt.
- Because of additional requirements in foreign language and study abroad, students pursuing the global management major are advised to plan for transfer to Pitt Business relatively early on, after 45 credits for example. Students are encouraged to begin foreign language study while at the community college and to contact Pitt Business Admissions about planning for this major. Completion of the global management major is likely to require 5-6 semesters of enrollment at Pitt Business.
- Students planning to pursue the supply chain management major should be aware of significant course sequencing for the major. Completion of the supply chain major is likely to require 5-6 semesters of enrollment at Pitt Business. Students should plan to transfer relatively early on.

If you have questions about scheduling classes, contact your academic advisor or call Pitt Business at (412)383-9600 or email admissions@business.pitt.edu for assistance.

Pitt Business General Education Requirements

The WCCC courses below are approved to meet the following Pitt Business general education requirements. The requirement fulfilled as well as the Pitt course equivalent is indicated.

Please note: All courses in the following listing transfer to Pitt and meet the requirement indicated. You will notice that "non-equivalent" transfer credit is sometimes awarded (ENGLIT 0000 for example). This means that the coursework transfers, just not as a specific Pitt course. It does fully meet the specified CBA requirement.

Writing Requirement

WCCC Course	Credits	Pitt Course	Credits
ENG 161 College Writing	3	ENGCMP 0200 Seminar in Composition	3

Foreign Language Requirement—fulfilled by 3 years of the same language in high school. Otherwise, levels 1 and 2 of a language in college are required. This is a good requirement to complete before transferring to Pitt. Complete both courses before transferring.

Complete one two-course sequence below.

WCCC Course	Credits	Pitt Course	Credits
FRN 155 Beginning French 1	4	FR 0000 Non-equivalent	4
FRN 156 Beginning French 2	4	FR 0000-Non-equivalent	4

School of Computing and Information

The University of Pittsburgh's newest school combines our Computer Science and Information Science programs to focus on collaboration in technology along with an emphasis on research, innovation and creativity that will help Pitt become a model for Information Age universities.

Computer Science

Student interested in entering the School of Computing and Information will continue to follow the general education requirements as outlined for our Dietrich School of Arts and Sciences. In addition, comparable courses that match our CS 0401, CS 0441, CS 0445, CS 0447 and CS 0449 courses can be completed.

Information Science

The University of Pittsburgh offers the Bachelor of Science in Information Science (BSIS), a two-year program which normally begins in a student's junior year. The BSIS program will provide students with critical skills and broad theoretical knowledge in programming principles, database systems, networks, human-computer interaction, and systems design. The course of study will enable graduates to understand how to manage today's complex information systems and design the systems that business and industry will need in the future. Information, and the technology to manage it, will be a critical factor in solving many of the world's most pressing problems in health care, government, education, and the environment. More information about the program can be found here: http://www.sci.pitt.edu

In addition to a general program of study, the program features **three industry-centered specializations: information systems, user-centered design, and networks and security**. All students are required to participate in a capstone experience such as a research project or an internship with a regional company. With the University located in a major urban environment, students have access to amazing internship opportunities with healthcare entities, manufacturing companies, and technology-related corporations.

Transfer Admissions to Information Sciences

Students, provided that they meet the admission requirements posted here, are welcome to apply for admission to Information Sciences. Students must have earned a minimum of 55 credits prior to admission to the BSIS program. To efficiently plan for such a transfer, we strongly encourage you to contact the BSIS advisors as early as possible within your program of study.   The following table outlines, in general, the course requirements and transferable credits for Information Sciences to facilitate planning for transfer; however, all credits must be verified by BSIS advisors. You can contact the BSIS Office at:

Information Sciences
Room 720 IS Building
135 North Bellefield Avenue
Pittsburgh, PA 15260
412-624-5143
Koller@pitt.edu

SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. WCCC courses that fulfill these requirements are listed along with SIS equivalencies. A grade of "**C**" or better is required for transferable credits. (Grade requirements exceptions noted below.)

SKILLS REQUIREMENTS

Writing The writing requirement consists of the following two courses with grades of "**B**" or better.

WCCC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ENG 161 College Writing	**3**	ENGCMP 0200 General Writing	**3**
ENG 163 Business Communications	**3**	ENGCMP 0400 Written Prof Com	**3**

Quantitative The quantitative requirement can be satisfied by the following course

WCCC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
MTH 172 Analyt. Geom & Calc 1	**4**	MATH 0220 Analytical Geo & Calc	**4**

Linguistics
Equivalent course work is not available at WCCC.

GENERAL EDUCATION REQUIREMENTS

Literature (any **one** of the following)

WCCC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ENG 159 Intro to Theater	**3**	THEA 0810 Intro to Dramatic Art	**3**
ENG 240 Science Fiction	**3**	ENGLIT 1661 Sci Fiction	**3**

The following courses will transfer and are equivalent to information science courses.

CPT 145 Intro to Computer Tech	**3**	INFSCI 0010 Intro to IS	**3**
CPT 163 Java	**3**	INFSCI 0017 JAVA	**3**

College of General Studies

This transfer guide was prepared to enable students to identify courses that can bae applied to the following degrees at the University of Pittsburgh, College of General Studies (CGS):

Administration of Justice

Dental Hygiene (degree completion)

Health Services

Humanities

Legal Studies

Media and Professional Communications

Natural Sciences

Public Service

Social Sciences

Each course offered at Westmoreland County Community College (WCCC) has been evaluated, and transferability of each course has been determined.

The University of Pittsburgh will accept a maximum of 60 credits from a community college. All courses transfer as lower level, freshman/sophomore level courses. A grade earned in a class taken at WCCC will not replace the grade from an equivalent class taken at the University of Pittsburgh.

Students planning to pursue a major offered through any other school at the University of Pittsburgh should consult the "Pitt Connection" for that school's transfer policies.

If you have any questions, you can contact a CGS Academic Advisor at **412-624-6600.** The college is located on the first floor of Posvar Hall. Our phone number is 412-624-6600, fax number is 412-624-5461 and email address is cgs@pitt.edu.

CGS DEGREE REQUIREMENTS

The specific structure of a degree in CGS varies depending upon the major. However, all students must complete certain course requirements. It is suggested you begin your plan of study by taking courses that complete these requirements. If you should want to take any other courses, verify transferability with your WCCC Transfer Counselor or a CGS Academic Advisor. Note: A grade of "C" or better is required for transfer.

Course requirements for a degree at the University of Pittsburgh, College of General Studies, are designated under Curriculum Area in the WCCC transfer manual as follows:

> 1 = Skills: Oral Communication
>
> 2 = Skills: Writing
>
> 3 = Skills: Mathematics
>
> 4 = Quantitative and Formal Reasoning
>
> 5 = Literature
>
> 6 = History
>
> 7 = International Perspective
>
> 7N = Non-Western Culture
>
> DS:H = Distribution of Studies: Humanities
>
> DS:S = Distribution of Studies: Social Sciences
>
> DS:N = Distribution of Studies: Natural Sciences

On the following chart, you may fill in the requirements as you complete them. *NOTE: A maximum of 60 credits may be eligible for transfer from a two-year institution.

Requirements	Designation	Term

I. SKILLS

A. Oral Communication (One course)   #1   1._____
B. Writing (Two courses*)   #2   1._____
                                               2._____

*Note: one additional writing course must be completed at Pitt for a total of three writing courses.

C. Mathematics (One course)   #3   1._____
D. Quantitative and Formal Reasoning
   (One Course)   #4   1._____

II. UNDERSTANDINGS

E. Humanities (Two courses from   DS:H 1._____
   two different departments)   2. _____

F. Social Sciences (Two courses from   DS:S 1._____
   two different departments)   2. _____

G. Natural Sciences (Three courses   DS:N 1._____
   from at least two different departments)   2._____
                                             3._____

H. Literature (One course)   #5   1._____
I. History (One Course)   #6   1._____

J. International Perspective
   (Three world culture courses with   #7   1. _____
   one being Non-western, or two   2. _____
   courses in a foreign language,
   and one Non-western culture)   7N   3._____

III. SPECIALIZED STUDY: THE MAJOR
   8 – 16 courses. Verify transferability with a WCCC Transfer Counselor or a CGS Academic Advisor. Half of the major must be completed at the University of Pittsburgh.

IV. ELECTIVES

   Total credits required for a Baccalaureate degree: 120 minimum (approx. 40 courses)

KEY

CGS - College of General Studies

CGS Credits - Credits awarded apply only to CGS

LD - Lower Division

0000 - No Equivalent – The course is transferable
even though there is no equivalent course at Pitt.

DS:H - Distribution of Studies: Humanities

DS:N - Distribution of Studies: Natural Sciences

DS:S - Distribution of Studies: Social Sciences

* - Indicates a course in a professional field.

Students pursuing a CGS major may take the following number of professional field credits:

Administration of Justice: 21 credits (including Administration of Justice courses)
Dental Hygiene: 0 credits
Health Services: 0 credits
Humanities: 18 credits
Legal Studies: 18 credits
Media Communications: 18 credits
Natural Sciences: 18 credits
Public Service: 15 credits
Social Sciences: 18 credits

Courses may also be taken at WCCC to fulfill College of General Studies major requirements and transferred courses not used in the categories above may be used as electives. A maximum of 60 credits, graded C or better, are eligible for transfer; if College Level Examination Program (CLEP) credits are used, a combination of CLEP and CCAC credits cannot exceed 60. *Official CLEP scores must be submitted.

ACC-ACCOUNTING

#	Course Title	CGS Equivalent	CGS Credits	Curriculum Area

Major Programs in the College of General Studies

Multi-disciplinary majors

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department, you can choose courses from three departments within the central theme.

Multidiscipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

Multi-disciplinary majors:

Humanities (BA)

Choose courses from three of the following departments: Africana studies, classics, communication, English, German, history of art and architecture, linguistics, music, philosophy, religious studies, Spanish, studio arts, theatre arts.

Pre-Education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate program in comprehensive English education in Pitt's School of Education. This option may be used by students interested in the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Legal Studies (BA)

This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content, and operation of American law and legal institutions. Courses in the legal studies major are all taught by full-time and adjunct faculty members of the Graduate School of Public and International Affairs (GSPIA). Participating faculty members include attorneys practicing in fields of law ranging from criminal prosecution and defense, to environmental law, consumer law, and family law.

Students with GPA of 3.5 or better planning to pursue graduate work may want to consider one of the following early admission options. To students who qualify, the Graduate School of Public and International Affairs offers the five-year BA/MA program. Students pursuing a legal studies major may obtain the Master of Studies in Law (MSL) degree in a joint program in which credits obtained in the MSL program also count toward the bachelor's degree.

Natural Sciences (BS)

Choose courses from three of the following departments: anthropology, astronomy, biological sciences, chemistry, geology and planetary science, history and philosophy of science, neuroscience, physics, psychology.

Pre-Education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate programs in Earth and space science and general science. This option may be used by students interested in the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Pre-Medicine Option - This natural sciences concentration incorporates the course work needed for admission to most medical and dental programs. Completion does not guarantee acceptance into graduate study.

Social Sciences (BA)

This major can be customized to meet your personal interests and career goals. Choose courses from three of the following departments: Africana studies, anthropology, economics, history, Jewish studies, legal studies, political science, psychology, religious studies, sociology, urban studies, women's studies.

Professional Majors

In addition to the multidisciplinary programs that are available, the College of General Studies offers professional major programs. Although these are still liberal arts majors, they are more specific in nature and are tailored to a particular course of study or career. For each of these programs, a minimum of at least 30 credits is required in the specific discipline

Professional Majors:

Administration of Justice (BA)

Develop your understanding of the evolution, theory, structure, functioning, and process of change in the system of American criminal justice. Choose one of these four specialized areas: adult and juvenile corrections, law enforcement practice, forensics, or cybercrime. Courses in the administration of justice major are all taught by full-time and adjunct faculty members of the Graduate School of Public and International Affairs (GSPIA). Participating faculty members include attorneys, prison administrators, judges, law enforcement officials, and criminal justice researchers. GSPIA also offers a five-year BA/MA program to students who qualify.

Dental Hygiene (BS *degree completion only)

If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a Bachelor of Science degree. Articulation agreements have been established between the College of General Studies and the dental hygiene certificate program with five area community colleges for degree completion for licensed dental hygienists.

Health Services (BA)

Our health services major is designed to build communication, management, analytical, and leadership skills, while relating all to the health services field. You can choose one of two tracks in this is interdisciplinary course of study:

Managing Health Services Programs and Projects gives students key administrative and business skills with an emphasis on grant and research project management.

Community Health Assessment provides an understanding of the physical, social, and behavioral factors influencing health.

Health Services (BS)

This major is for health professionals who have completed professional training and would now like to earn a Bachelor of Science degree. Recognition for the professional training you received, including specific transfer credit agreements with community colleges, provide the foundation of your degree.

Media and Professional Communications (BA)

This major features a dual emphasis on providing students with a rigorous education in the theories of mass media process, history, and ethics, as well as the opportunity to specialize in one of three professional practice areas: corporate/community relations, writing for the professions, or digital media. The three tracks are designed to strengthen both the knowledge base and proficiencies of students pursuing careers in communications fields, such as print, television, radio, film, new media, or corporate/organizational communications. This program will also benefit students pursuing careers in a variety of industries in which communication with internal and external publics is critical.

Public Service (BA)

This major prepares students for careers that are focused on the resolution of public problems or the delivery of public services at the local, state, national, or international level. Students take a common core and then choose one of three concentration areas: public administration, nonprofit management, or a self-designed concentration. Courses in the public service major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

School of Education (SOE)

<u>Applied Developmental Psychology</u>:

Traditional Concentration
CASE Concentration

The undergraduate major in Applied Developmental Psychology (ADP) develops the skills and knowledge needed for professional work in child and youth care, education, and other related human service fields. ADP also prepares students for graduate school in such fields as education, psychology, and social work. Coursework includes developmental theory and research covering birth through early adulthood, professional issues, family dynamics, cultural distinctions, disabilities, psychopathology, curriculum and activity planning, practice skills, and supervision.

The undergraduate major in Applied Developmental Psychology (ADP) includes two distinct areas of concentration that lead to a BS degree:

• ADP Traditional

• ADP CASE (Combined Accelerated Studies in Education)

<u>ADP Traditional Concentration</u>:

The Bachelor of Science in Applied Developmental Psychology is offered through the School of
Education. Entrance to the program is at the junior year level, fall term, full or part-time, after earning a minimum of **60 college semester credits of general education in liberal arts and sciences,** which include the prerequisite courses listed on the next page.

The **ADP Traditional Concentration** is full-time and the curriculum is organized into four terms of upper division (junior and senior year) study. Students in the traditional concentration will participate in a 12 credit internship during their senior year.

ADP Traditional Prerequisite Courses:

Language and Literacy (6 credits)

Quantitative & Formal Reasoning (3 or 4 credits)

Humanities (6 credits) (no studio or performance courses)

Natural Sciences (3 credits)

Introduction to Psychology (3 credits)

Social Sciences (6 credits)

Non-Western Culture/International (3 credits)

30 credits of electives

For a complete listing of courses that will satisfy prerequisites for the ADP Traditional programs, go to:
http://www.education.pitt.edu/AcademicDepartments/PsychologyinEducation/Programs/AppliedDevelopmentalPsychology/BachelorofScienceBS/Prerequisites.aspx

Deadline: The suggested deadline for fall admission is **March 15th,** but late applications will be considered if space allows.

ADP Traditional Admissions Requirements:

(*In addition to any OAFA requirements*):

- Completed School of Education ADP Supplemental Application
- Interview(s) may be requested by faculty; may also be requested by applicant
- Total of 60 credits of prerequisite coursework
- Three-part, typewritten statement, not exceeding eight pages in length, discussing the following concerns in depth:
    - What experience(s) made you select child and youth work as a profession?
    - How will knowledge of child development contribute to your professional competence?
    - What do you believe is one of the most important contemporary social issues and why?
    - Three references, preferably from professionals familiar with the student's experience with children/youth, maturity, work habits, and academic ability.

e.tatrai@pitt.edu

ADP CASE Concentration:

The ADP CASE Concentration is a five-year program that includes coursework at both the undergraduate and graduate levels. Students successfully completing the program are eligible to apply for Pennsylvania teacher certification in Pre-Kindergarten to Grade 4 and Special Education Pre-Kindergarten to Grade 8. Students will receive two degrees: a Bachelor of Science (BS) in Applied Developmental Psychology and a Masters of Education (M.Ed.) degree in Combined Studies in Early Childhood Education and a Special Area of Concentration.

ADP CASE Prerequisite Courses*:

*It is **very important** to note that the CASE option requires **an extremely prescribed set of prerequisite coursework.**

If a student is interested in this option, it is critical to (a.) know very early on in their college career and (b.) contact the School of Education ASAP (information provided below) for guidance in completing the prerequisites at your current institution.

Details and course suggestions for **CASE prerequisites** can be found on the School of Education's website at:
http://www.education.pitt.edu/AcademicDepartments/PsycholoqvinEducation/Proqrams/AppliedDevelopmenta/Psycholoqv/ADPCASETeacherPreparation/Prerequisites.aspx

Deadline: The deadline for fall admission is **March 1st**

ADP CASE Admissions Requirements:

(In addition to any OAFA requirements):

- Completed School of Education Supplemental Application for CASE
- Current Official Transcript(s) with a minimum of a 3.25 GPA and 61 credits earned
- Completion of prerequisite coursework
- A goal statement discussing the applicant's interest in the program and prior experiences working with children and/or youth
- Passing scores on the Pre-Service Academic Performance Assessment (PAPA)
  www.pa.nesinc.com
  PAPA Exemptions
    - SAT scores no less than 1550, with no individual section under 500 (Critical Reading, Math, or Writing)
      OR
    - ACT scores with a composite score of 23 or higher accompanied by a combined English/Writing score of 22 and a Math score of 21
- Three letters of recommendation, academic or professional

School of Education (SOE)

Health and Physical Activity:

Exercise Science and Wellness Specializations

Baccalaureate study in the Department of Health and Physical Activity (HPA) leads to the Bachelor of Science degree and provides specializations in Exercise Science and Wellness. The **Exercise Science** specialization is appropriate for students anticipating graduate study in exercise physiology or the health sciences. The **Wellness** specialization prepares students for entry level positions in closely supervised health-fitness programs within education and industry. Students can enter these School of Education programs at the junior year level, fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes as listed below.

Prerequisite Courses (Exercise Science and/or Wellness):

- English Composition equivalent to the University of Pittsburgh general writing requirement (3 credits)
- College level Mathematics course (2 credit minimum) and Statistics (3 credit minimum)
- First level Biology, Chemistry, Physics, and Introduction to Psychology or three out of the four
- Other courses broadly distributed in humanities, social sciences, and natural sciences
- Must engage in positive health-fitness behaviors

Deadline: Students seeking admission for the Fall Term should apply by **February 1st**. Applications received after the deadline will be reviewed provided that remaining space is available in the program.

HPA Admissions Requirements:

(In addition to any OAFA Requirements):

- Completed School of Education Supplemental Application for HPA
- Current Official Transcript(s) with a minimum of a 2.5 GPA an d60 credits earned
- Completion of prerequisite coursework
- A goal statement discussing interest in the program, degree objectives, and career goals
- Two collegiate letters of recommendation, academic or professional
- Final Applications may be contacted for an interview

School of Education (SOE)

Teacher Certification

The School of Education is dedicated to advancing the field of education by preparing teachers who make a real impact on schools and their students. **The SOE offers a variety of teacher certification program options, each of which are completed at the post-baccalaureate level.** Several of the teacher certification options offered allows students to earn both **teacher certification and a master's degree simultaneously,** resulting in ample preparation and maximum marketability. Our teacher certification students range from those who have just completed their undergraduate degrees to those who have been in the workforce and are ready to impart their knowledge and expertise to future generations.

Once you complete the transfer process and are comfortable at Pitt, it would be suggested to reach out to the Office of Admissions and Enrollment Services within the School of Education (contact info listed below). From there, a Graduate Enrollment Manager can serve to augment the work of an academic advisor by recommending courses that fulfill the prerequisites required to enter a teacher certification program of interest. All of our post-baccalaureate teacher certification options have a **January 15th application deadline. With the exception of the CASE program, students interested in applying to one of our teacher certification programs would apply during their senior year.**

For a complete teacher certification program listing, visit our website at:
http://www.education.pitt.edu/FutureStudents/TeacherCertification.aspx

·For further information please contact the SOE Office of Admissions and Enrollment Services:

5500 Wesley W. Posvar Hall
230 South Bouquet Street
Pittsburgh, PA 15260
Phone: 412.648.2230
Email: soeinfo@pitt.edu

Swanson School of Engineering

When you apply as a transfer student to the **Swanson School of Engineering**, you must declare a specific major. The available engineering majors are:

> Bioengineering
> Chemical Engineering
> Civil Engineering
> Computer Engineering
> Electrical Engineering
> Engineering Science
> Engineering/Art and Science Joint Degree
> Environmental Engineering
> Industrial Engineering
> Materials Science Engineering
> Mechanical Engineering

The Swanson School of Engineering curriculum is highly structured from the freshman through senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more that 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 3.25 or better will be considered for admission to the Swanson School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the Swanson School of Engineering at 412-624-9825.

Swanson School of Engineering Curriculum

FRESHMAN YEAR

First Term

Pitt Course:	At WCCC you take:
MATH 0220: Anal. Geometry/Calculus	MTH 172
CHEM 0960: Gen. Chem. I for Engineers	CHM 155
PHYS 0174: Physics for Sci.& Eng. I	PHY 255
ENGR 0015: Introduction to Engineering Analysis	No equivalent
Humanities or Social Science Elective*	See course equivalent list
ENGR 0081: Freshman Seminar	Not required of transfer students

Second Term

Pitt Course:	At WCCC you take:
MATH 0230: Anal. Geometry/Calculus II	MTH 173
CHEM 0970: General Chemistry II for Engineers	CHM 156
PHYS 0175: Basic Physics for Sci. & Eng. II	PHY 256
ENGR 0016: Introduction to Engineering Computing	No equivalent
Humanities or Social Science Elective*	See course equivalent list
ENGR 0082: Freshman Seminar	Not required of transfer students

Third Term

Pitt Course:	At WCCC you take:
MATH 0240: Anal. Geometry/Calculus III	MATH 271
Elective(s)	See course equivalent list

#Courses recommended for the sophomore to senior years vary according to the specified major. Consult the Swanson School of Engineering Bulletin for more information. Information is available through the Office of Admissions and Financial Aid or the Swanson School of Engineering. All Engineering programs are subject to change without advance notice.
*No more than three (3) humanities or social science electives will be accepted for transfer from a community college. Course equivalents are listed on the following pages.

SWANSON SCHOOL OF ENGINEERING
ENGLISH WRITING REQUIREMENT

To ensure that all engineering students attain a reasonable level of competence in writing, the Swanson School of Engineering requires students to complete two levels of English writing courses. The two levels include 1) a basic English composition course and 2) a course where students will gain specific academic subject area information through a writing intensive course. The writing requirement is further explained below.

I. COMPOSITION

All students enrolled in the Swanson School of Engineering are expected to complete the University of Pittsburgh's basic English composition course. However, transfer students have two options.

A. Westmoreland County Community College (WCCC) students who have earned a grade of a "C" or better ("C-" is unacceptable) in ENG 161 will be automatically waived from taking Seminar in Composition (ENGCMP 0200) at the University of Pittsburgh.

B. Students who enter the University of Pittsburgh without taking ENG 161 must take Seminar in Composition (ENGCMP 0200) at Pitt.

II. WRITING INTENSIVE COURSE

In addition to the composition requirement, all engineering students must take one writing course, designated in the University of Pittsburgh course description listings as "W". Students may fulfill the writing experience requirement by taking a course in any area, including but not limited to Humanities, Social Sciences or Natural sciences.

Student's transferring from a community college must take the writing experience course at the University of Pittsburgh; therefore, no such courses will be accepted for transfer from a community college.

Swanson School of Engineering Transfer Policies

2. All courses that have equivalent counterparts at Pitt in terms of content and credits in the Swanson School of Engineering curriculum are eligible for transfer.

3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transferable.

4. Transfer credits need to be earned within 12 years of the date when the Swanson School of Engineering degree requirements will be completed.

5. In accordance with University policy, re-evaluation of credits will be done by the admitting school, when necessary, according to applicable University policy and procedure. The policy applies to all previous credits earned, no matter if they were earned at the University of Pittsburgh or another institution.

6. No more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a college or university, no transfer credit will be granted for credits earned subsequently at a two-year school.

7. If a course for which advanced standing credit has been granted is repeated, the advanced standing credit is canceled.

8. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence; students can request a waiver of the 30 credit policy from the Associate Dean for Academic Affairs.

9. One credit taken at a quarter system school is equal to two-thirds a credit at the University of Pittsburgh. This may affect the ability of a course to transfer. See #1.

10. Engineering courses must be completed at an ABET certified institution with the exception of approved study abroad courses.

11. Once a student has started to take courses as an engineering student at the University of Pittsburgh they cannot subsequently take courses at a community college for transfer credit.

12. The Swanson School of Engineering does not accept CLEP credit for course credits.

The most current listing of SSOE transfer policies can be found at:
http://engineering.pitt.edu/Freshman/Transfer_Students/SSOE_Transfer_Policies

School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Communication Science, Emergency Medicine, Health Information Management, Nutrition and Dietetics* and Rehabilitation Science. Beginning in Fall 2019, SHRS will offer an undergraduate Bachelor of Science program in Nutrition Science.

For admission, a student must have a minimum of 60 college credits including specific prerequisite courses. Students should apply to the programs in the spring semester of their sophomore year when coursework is in progress. All admission criteria must be met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite GPA of 2.5 with a grade of C or better in all prerequisite courses. To be competitive for admission, a higher GPA is recommended/required for most SHRS programs. Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Transfer Application as well as supplemental information for SHRS must be completed. We highly recommend an appointment with the SHRS Director of Admissions to discuss the application and admission process.

Transfer application must be completed by the following deadlines:
- Athletic Training   February 15
- Communication Science   Rolling Admissions
- Emergency Medicine   February 15
- Nutrition and Dietetics   February 15
- Rehabilitation Science   January 15
- Health Information Management   Rolling Admissions

SHRS will request supplemental information from applicants who will meet the general admission criteria.

For further information:
Web page: http://www.shrs.pitt.edu
Email: admissions@shrs.pitt.edu
Phone: (412) 383-6558
Fax: (412) 383-6535

The last class of students that will be admitted to the Nutrition and Dietetics undergraduate program will be students who apply in the Spring Term of 2018 to begin the program in Fall 2018. Beginning in 2019 applicants interested in becoming a Registered Dietitian Nutritionist (RDN) will have the opportunity to apply to a new accelerated Coordinated BS/MS in Nutrition and Dietetics. Contact the SHRS Admissions Office at admissions@shrs.pitt.edu for more information on our Nutrition program changes.

Athletic Training

This CAATE-accredited program prepares students for certification by the National Athletic Trainers' Association. The curriculum leads to a Bachelor of Science degree in Athletic Training. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine. Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below. Admission selections are based upon: overall minimum QPA of 2.5; completion of all prerequisites; personal interview; personal qualities important for athletic training (i.e. enthusiasm, motivation, positive health habits, strong work ethic and time commitment). Additional requirements include the completion of prescribed observation hours in on-campus and high school clinic facilities under the direct supervision of a certified athletic trainer. Students should not complete observation hours until they are enrolled in AHTLTR 1812.

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites below.

PLEASE NOTE: Soon, a master's degree will be required in order to become a certified athletic trainer. The University of Pittsburgh is committed to preparing athletic training students for professional practice and is actively seeking to develop programs to meet this requirement. Such programs are subject to approval by the Provost before students can be admitted.

Prerequisite Courses:	At WCCC you may take:
Biology with lab (4 credits)	BIO 155
Chemistry with lab (4 credits)	CHM 155
Physics (4 credits)	PHY 155
College Algebra (3 credits)	MTH 158
Statistics (3 credits)	MTH 160
Intro Psychology (3 credits)	PSY 160
Psychology (3 credits)	PSY 161
English Composition (3 credits)	ENG 161
English Writing (3 credits)	ENG 163 or ENG 164
Public Speaking (3 credits)	SPC 155
Basic Athletic Training (3 credits)	Must be taken at Pitt (Pittsburgh campus)
Basic Athletic Training Lab (1 credit)	Must be taken at Pitt (Pittsburgh campus)
Humanities & Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.
Emergency Medical Technician	Applicants do not need to enroll in a course but *Proof of current Pennsylvania or National Registry EMT certification must be provided.

Communication Science
(Department of Communication Science and Disorders)

The Department of Communication Science and Disorders offers the Communication Science undergraduate degree which is designed to prepare students for graduate study in speech-language pathology and audiology. See http://www.asha.org for more information about these professions. Students can also use this major to prepare for graduate study in related education, health and rehabilitation fields. Listed below are the main general liberal arts, science and related knowledge courses required for the major. Alternative courses can be evaluated on a course-by-course basis. **IMPORTANT:** A separate 3 credit hour course is required for **each** of these areas; no single course can be used to satisfy multiple requirements. **Students should aim to have at least two thirds of these requirements completed prior to transferring.** The rest can be completed along with the core Communication Science courses in Junior and Senior years.

Admission is for the Fall Term only. Please contact Dr. Janice Vance if you have any questions. Telephone: 412-383-6562 Email: jvance@pitt.edu.

Prerequisite Courses:	At WCCC you may take:
English Composition (3 credits)	ENG 161
Writing Intensive Course "W"	ENG 164 or taken at University of Pittsburgh after transfer
Math (3 credits)	MTH 158, 172, 173
English Literature (3 credits)	ENG 255, 258, 290
Music or Art (3 credits)	ART 155, 158; MUS 160, 255
Additional course in Literature/the Arts/Creative Expression (3 credits)	ART 162, 163, 165, 185; ENG 165, 233; MUS 111, 155, 165; THR 160, 161
History (3 credits)	HIS 155 or higher; REL 181
Introduction to Psychology (3 credits)	PSY 160
Biological Sciences: Human Biology, Anatomy & Physiology (3-4 credits)	BIO 107, 155, 156, 171, 172, 265
Physical Sciences: Physics (3-4 credits)	PHY 107, 155, 156
Foreign Culture (6 credits)	ART 155; ENG 275, 290, 279; HIS 155, 156; POL 156, 256;
Foreign Culture: Non-Western (3 credits)	ENG 258; REL 171
Foreign Language (at least 6 credits)	Two term sequence of a single language or 3 years of HS study of a single language
Statistics (3-4 credits)	MTH 160
Philosophy of Science (3 credits)	To be taken at University of Pittsburgh after transfer
Neuro/Cognitive Foundations (3 credits)	To be taken at University of Pittsburgh after transfer
Sociocultural Issues (3 credits)	PSY 260; SOC 162, 255
Lifespan/Child Development (3 credits)	PSY 161, 265

Emergency Medicine

This program is designed to prepare students for the technical, clinical and administrative challenges in the EMS professions. The dynamic curriculum provides a strong foundation in clinical experiences, educational expertise and administrative leadership.

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites.

Prerequisite Courses:	At WCCC you may take:
Natural Science/Psychology (6 credits)	Natural Science: BIO 120, 155, 156, 171, 172, CHM 108, 155, 156, 264; EPS 150, 160, 163; PSY 107, 150, 153, 155, 156, 255, 256 Psychology: PSY 160, 161, 163, 167, 260, 265, 267, 268, 269, 270
Oral/Written Communication (6 credits)	Written: ENG 161, 163, 164; Oral: SPC 155, SPC 156
Math/Statistics/Computer Science (4 credits)	Math: MTH 158, 172, 173, 271; Statistics: MTH 160 Computer Science: CPT 162, 163, 180, 201, 213, 271
Humanities/Social Science (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.
Additional Credits from Above Content Areas (8 credits)	
EMT with Lab (4 credits)	Emergency Medical Technician*

*Proof of current Pennsylvania or National Registry EMT certification must be provided. If a non-credit course was taken for this certification, 4 credits may be granted through credit by course examination if you have a current PA or NREMT certification.

Senior transfer students: Proof of current Paramedic certification must be provided to receive the advanced standing of 39 credits. If a current paramedic, proof of EMT certification is not required. Currently certified paramedics receiving advanced standing of 39 credits may transfer no more than 51 credits (including required 30 prerequisites and 21 additional coursework credits).

Health Information Management

The Health Information Management professional plays a critical role in the successful implementation of electronic health records (EHR) and ensures that providers, health care organizations, and patients have access to the right health information at the right time while maintaining the data integrity, confidentiality, and security. HIM professionals use their expertise in over 40 different work settings such as hospitals, healthcare technology vendors, consulting firms, and insurance companies to name a few. Visit www.AHIMA.org for more information in career paths.

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites below.

Prerequisite Courses:	At WCCC you may take:
General Writing (6 credits)	ENG 161, ENG 163 or ENG 164
Psychology (3 credits)	PSY 160
Biology (3 credits)	BIO 120 or BIO 155
College Algebra (3 credits)	MTH 158
Statistics (3 credits)	MTH 160
Public Speaking (3 credits)	SPC 155
Computer Science (6 credits)	CPT 201, CPT 271
Computer Programming (3 credits)	CPT 162, 163, 180, 213 or 242
Humanities and Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.

Nutrition and Dietetics

The Didactic Program in Dietetics (DPD) will be voluntarily closing effective May 31, 2020. The last class of students that will be admitted to the DPD will be students who apply in the Spring Term of 2018 to begin the program as juniors in Fall 2018. No students will be admitted after this time. The DPD will maintain its ACEND accreditation status through May 31, 2020. Students who do not complete all DPD course requirements by May 31, 2020 will not be considered graduates of an ACEND-accredited DPD.

Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites below.

Dietitians are the health professionals who apply scientific knowledge to guide people in selecting foods to meet their health needs. The curriculum offers courses in food and nutrition sciences, nutrition therapy and the graduate program includes supervised practice experiences that are required for eligibility to take the national registration examination for dietitians.

Prerequisite Courses:	At WCCC you may take:
Biology 1 with lab (4 credits)	BIO 155
Biology 2 (no lab required) (3 credits)	BIO 156
Chemistry 1 with lab (4 credits)	CHM 155
Chemistry 2 with lab (4 credits)	CHM 156
Organic Chemistry 1 (no lab required) (3 credits)	CHM 250
Organic Chemistry 2 (no lab required) (3 credits)	CHM 251
General Microbiology (3 credits)	BIO 265
Economics (3 credits)	ECN 158, ECN 255 or ECN 256
English Composition (3 credits)	ENG 161
English Writing (3 credits)	ENG 163 or ENG 164
College Algebra (3 credits)	MTH 158
Intro to Nutrition (3 credits)	FSM 159
Public Speaking (3 credits)	SPC 155
Intro to Psychology (3 credits)	PSY 160
Intro to Sociology (3 credits)	SOC 155
Statistics (3 credits)	MTH 160

Nutrition Science – <u>starting Fall 2019</u>

Students will learn to apply the science of food and nutrition to the well-being and health of people. Nutrition Science graduates will be able to implement the knowledge and skills learned in the program to various positions within industry, government, academia and NGOs. This may include working on food and nutrition labeling laws, creating better food products and supplements and helping to educate others about the importance of nutrition. In addition, graduates of the Nutrition Science program will be prepared to further their education in the health professions including professional graduate programs in nutrition, medicine, and dentistry among others.

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites below.

Prerequisite Courses:	At WCCC you may take:
Biology 1 with lab (4 credits)	BIO 155
Biology 2 (no lab required) (3 credits)	BIO 156
Microbiology (3 credits)	BIO 154
Chemistry 1 with lab (4 credits)	CHM 155
Chemistry 2 with lab (4 credits)	CHM 156
Organic Chemistry 1 (no lab required, 3 credits)	CHM 250
Organic Chemistry 2 (no lab required, 3 credits)	CHM 251
English Composition (3 credits)	ENG 161
English Writing (3 credits)	ENG 163 or ENG 164
College Algebra or Higher Math (3 credits)	MTH 158
Intro to Psychology (3 credits)	PSY 160
Genetics (3 credits)	
Statistics (4 credits)	MTH 160
Intro to Human Nutrition (3 credits)	FSM 159

Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites below.

Prerequisite Courses:	At WCCC you may take:
Biology with lab (4 credits)	BIO 155
Chemistry with lab (4 credits)	CHM 155
Physics with lab (4 credits)	PHY 155
College Algebra or higher (3 credits)	MTH 158
Applied Statistics (3 credits)	MTH 160
General Psychology (3 credits)	PSY 160
Developmental Psychology (3 credits)	PSY 161
English Composition (3 credits)	ENG 161
Writing Intensive (3 credits)	Course materials will need to be evaluated to determine fulfillment of writing intensive requirement
Humanities and Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.

We recommend students interested in graduate programs in health sciences should complete any additional prerequisites in biology, chemistry and physics while enrolled in BCCC. However, some of these courses can also be completed while enrolled in the Rehabilitation Science program.

School of Nursing

Two categories of students may be qualified to apply to the University of Pittsburgh's **School of Nursing**. The GN/RN applicant or a student currently enrolled and taking classes in a college or university, who desires a Bachelors of Science in Nursing (BSN) Degree.

The **RN Options – Early Admission to MSN or DNP** curriculum is designed for registered nurses, who obtained their nursing education through either a diploma or an associate degree program, to complete their nursing education with a Bachelor of Science in Nursing (BSN) on the way to earning a graduate degree (MSN or DNP). For more information about the RN Options program please go to the website http://www.nursing.pitt.edu/degree-programs/rn-options-early-admission-msn-or-dnp.

The **pre-licensure student** interested in obtaining the nursing education that leads to a Bachelors of Science in Nursing (BSN) degree, and eligibility to take the National Council Licensure Examination (NCLEX) to become a registered nurse (RN), may apply to the School of Nursing. Admission to the School of Nursing is very competitive.
Transfer students at least must have twenty-four (24) college credits at the time of application, admission will be based, in part, on the college academic record and on the high school academic record. All applications will be reviewed and decisions will be made based on the student's academic success and consideration of the number of seats available in the class. A 3.5 GPA or better from the previous institution is required for the applicant to be considered. As a transfer applicant, you must have successfully completed a general chemistry course with a lab at either the high school or college level, preferably with a B or better.

Admission to the School of Nursing for all transfer students is to the freshman class. It will usually take four (4) additional years to complete the nursing program once admitted unless admission to the sophomore year is granted. A limited number of spaces are available at the sophomore level and admission for these seats is very competitive.
Admission decisions for these spaces are made separately, subsequent to admission to the freshman class. Once you have been admitted to the freshman class, your records will be reviewed for your eligibility to be considered for a sophomore space. You may begin to fulfill the liberal arts and the elective requirements while at another institution, thereby reducing the credit load for some terms. English Composition, Psychology, Sociology, Culture (Anthropology, History, etc.), Public Speaking, Statistics, Creative Expression and/or general electives are recommended courses. Courses need to be of a 0100 level or greater and a "C" grade or better need to be obtained for liberal arts course credit transfer.

The following courses marked with an asterisk (*) must be included in these credits, and classes that may be completed for this coursework at WCCC are noted – with suggestions for classes that will meet the requirement for sophomore status eligibility. Other coursework noted for freshman year are the liberal arts and the elective requirements mentioned earlier.

University of Pittsburgh
School of Nursing Curriculum

FRESHMAN YEAR
FALL TERM*

Pit Course:	Credits	At WCCC you may take:
*CHEM 0910 Chemistry for the Health Professions	4	CHM 264 or 107 & 108
*NUR 0012 Human Anatomy and Physiology 1	3	BIO 171
*NUR 0002 Nursing A&P 1 Lab	1	Lab Required
English Composition 0200	3	ENG 161 or 164
Intro to Psychology 0100	3	PSY 160
Total	**14**	

SPRING TERM*

Pit Course:	Credits	At WCCC you may take:
*ORBIOL 0031 Microbiology 1	4	BIO 265 (lab required)
*NUR 0013 Anatomy and Physiology 2	3	BIO 172
*NUR 0003 Nursing A&P 2 Lab	1	Lab Required
*NUR 0088 Intro to Basic Statistics for EBP	3	MATH 160
NUR 1056 Nursing Informatics	3	NA
NUR 0051 Introduction to Professional Nursing	3	NA
Total	**17**	

Other Liberal Arts Courses		
Pitt Course:	Credits	At WCCC you may take:
Anthropology/U.S./Foreign History or Culture	3	Any history, U.S. or Foreign cultural course above 100 level
Sociology	3	Any Sociology course above 100 (but not 255)
Speech	3	SPC 155

Certain aspects govern the advanced credits allowed for transfer courses. After admission to the School of Nursing, an official transcript of courses taken in other accredited universities or colleges must be submitted to the University of Pittsburgh – School of Nursing Student Affairs and Alumni Relations Office. When requested, course descriptions or course outlines must be submitted to Student Affairs and Alumni Relations to determine course equivalency at the University of Pittsburgh. The credit transferred for any course can be no greater than the credit given at the University of Pittsburgh. Only courses with letter grades of "C" or better may be transferred. Science courses must have been taken within the last ten years with a grade of B or better unless there have been unusual circumstances.

IMPORTANT: As you plan your coursework at WCCC in preparation for transfer to the School of Nursing, keep in mind that the nursing curriculum at the University of Pittsburgh does allow for a limited number of general electives in history, American or foreign culture, art, music, literature, math, and philosophy at the 100 level or above. Please contact the Office of Student Affairs and Alumni Relations in the School of Nursing prior to course selection either by phone at (412) 624-4586 or email at sao50@pitt.edu.

School of Pharmacy

The School of Pharmacy offers a four-year professional pharmacy program leading to the Doctor of Pharmacy Degree (PharmD). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years (nine terms) of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy requirements

2. Quality point average of 3.0

3. Completion of the PharmCAS Application and application fee

4. Completion of the School of Pharmacy Supplemental Application and fee

5. Submission of the PCAT scores by December application deadline

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service (PharmCAS) Application - due by **December 1.** The supplemental application process must be completed and submitted by **January 5** to be considered for Fall admission. Please visit www.pharmacy.pitt.edu for information on the deadlines and applications.

Office of Student Services
School of Pharmacy
904 Salk Hall
Pittsburgh, PA 15261
412-383-9000
http://www.pharmacy.pitt.edu/

The following is the recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (PharmD):

First Term	Third Term
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Electives (see below for suggestions)
Calculus (4 credits)	
English composition (3 credits)	
Total Credits: 15 or 16	**Total credits: 17**

Second Term	Fourth Term
General Biology II (3 credits)	Organic Chemistry II (3 credits)
General Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition (3 credits)	
Electives (see below for suggestions)	
Total Credits: 14	**Total Credits: 12**

Distribution of Electives should be as follows:

Humanities (8 credits from two different departments, such as Africana Studies, Classics, Communication, English, Film Studies, History of Art and Architecture, History and Philosophy of Science, Foreign Language, Linguistics, Music, Philosophy, Public Service, Religious Studies, Studio Arts. And Theatre Arts)

Social Sciences (8 credits from two different departments, such as Anthropology, Economics, Gender, Sexuality, and Women's Studies, Geography, History, Jewish Studies, Legal Studies, Political Science, Psychology, and Sociology)

School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a quality point average of 2.5 based on 4.00 is preferred (students with less than a 2.5 gpa will be reviewed for provisional admission) and you must have completed a minimum of 60 credits, distributed as follows:

Humanities - 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

Social Sciences - 9 credits in classes such as Anthropology, Black Studies, Economics, History, Political Science, and Sociology

Natural Sciences - 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, Physics, Psychology

Other Courses - preferably in the social sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

University of Pittsburgh
Office of Admissions and Financial Aid
4227 Fifth Avenue
Alumni Hall
Pittsburgh, PA 15260

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree. To be accepted, credits must be evaluated and recommended by the faculty advisor and approved by both the program director and the associate dean. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

♦ Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.

♦ Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.

♦ Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's The Pitt Connection.

♦ The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.

- No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.

- All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.

- Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.

- If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.

- Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.

- Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.

- Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.

- Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.

- Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.

- Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.

- A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the Student Handbook for filing student grievances.

Applicants will be evaluated on:

A. Overall academic record
B. Three letters of reference
C. Individual response to a three-part question

For an admissions application and supplemental application materials, contact the Office of Admissions and Financial Aid. For further information, contact:
