OBJECTIVE OF THE AGREEMENT

Based on the commonality of purpose and a mutual goal of assuring a quality education, Westmoreland County Community College and Robert Morris University enter into the following articulation agreement. The primary objective of this agreement is to maximize credit transferability. This agreement will afford students the opportunity to realize their educational goals and enhance their future employability through a curriculum that is both challenging and rewarding.

TERMS AND CONDITIONS OF THE AGREEMENT

This agreement applies to Westmoreland County Community College (WCCC) graduates with an earned Associate in Applied Science Degree in Computer Technology-Technical Support who plan to enter Robert Morris University (RMU) in a major under the Bachelor of Science degree program majoring in Information Science.

Up to 60 credits will be granted to students who have successfully completed an Associate Degree provided that:

- Students have completed the curriculum as outlined in the WCCC 2020-2021 College catalog

- Students have fulfilled grade requirements of the major into which they are transferring.

RMU will provide an official evaluation of all previously completed coursework and placement of those credits at the time of application.

RMU reserves the right to change program requirements and/or transfer equivalents.

Notice of changes in program requirements by any party of this agreement must be given in writing in a timely manner.

RMU acknowledges that some credits earned towards the Associate Degree at WCCC may have been awarded as Advanced Standing credit as a result of transfer or prior learning assessment, to include standardized examinations, military coursework, or portfolio credit. This agreement maintains that these credits earned toward the Associate Degree will be honored.

Termination of this agreement may be made by any party, and must be in writing.

Students who sign a letter of intent are indicating their interest in attending RMU and will be entitled to:

- advanced registration

- a $1000 scholarship in addition to consideration for a merit transfer scholarship and Phi Theta Kappa Scholarship

However, this letter of intent does not obligate students to attend RMU. Students who sign a letter of intent must matriculate within three years.

WCCC will properly advertise and will provide information regarding RMU, its academic programs, requirements, and services extended to the transfer graduate under the terms of this agreement.

WCCC will communicate with the RMU Academic Services Office regarding issues and questions posed by participating students.

WCCC will provide the RMU Enrollment Management Office with the names and addresses of WCCC students who have indicated an interest in attending RMU and would benefit from major department activity information.
