Students are encouraged to utilize summer session to relieve course load.

Student must have a C- in PSY 160 (WVU PSYC 101) to be directly admitted into the Psychology program upon transferring to West Virginia University.

\* Students should take BIOL 117 to complete this requirement. Students not selecting this option will need utilize elective credit to select a 2-course progression to satisfy the WVU Eberly College of Arts & Sciences Bachelor of Science requirement.

Students completing degrees from the WVU Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Westmoreland Community College students may begin completion of certain minors at WCCC by utilizing elective hours to take courses equivalent to the minor's introductory requirements at WVU

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Westmoreland County Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
