

Business, Diploma

School of Business

The Business Diploma program is designed to provide the student with a selection of general business management courses. Courses included in this diploma may be applied toward several Business AAS programs.

Career Opportunities

Graduates of the general management option may find employment as assistant managers, production managers, management trainees, quality control officers, warehouse managers and inventory managers.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Participate in business management functions.
- Conduct marketing analysis and manage sales.
- Conduct financial analysis and manage finances.
- Join a small business as a member of management.
