Multimedia and Photography, Certificate

ADOBE VIDEO STUDIO

School of Art, Humanities, Social Sciences and Public Service

The Adobe Video Studio Certificate provides students with an intensive experience in Windows-based video, audio and DVD digital software. Courses included in this certificate may be applied toward the Multimedia and Photography AAS Multimedia Technology Option.

Career Opportunities

Graduates of the Adobe Video Studio certificate program may find employment as computer support specialists in the field of multimedia as technicians and/or customer sales or service representatives.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:
- Organize and incorporate basic images in the creation of complex graphics.
- Produce motion animations and special video effects.
- Effectively utilize software to encode, author and burn DVDs.
- Identify, analyze, manipulate and fix common audio problems.
