

## Business, Diploma

### School of Business

The Business Diploma program is designed to provide the student with a selection of general business management courses. Courses included in this diploma may be applied toward several Business AAS programs.

#### Career Opportunities

Graduates of the general management option may find employment as assistant managers, production managers, management trainees, quality control officers, warehouse managers and inventory managers.

#### Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Participate in business management functions.
- Conduct marketing analysis and manage sales.
- Conduct financial analysis and manage finances.
- Join a small business as a member of management.
