

# Multimedia and Photography, Certificate

ADOBE VIDEO STUDIO

School of Art, Humanities, Social Sciences and Public Service

The Adobe Video Studio Certificate provides students with an intensive experience in Windows-based video, audio and DVD digital software. Courses included in this certificate may be applied toward the Multimedia and Photography AAS Multimedia Technology Option.

## Career Opportunities

Graduates of the Adobe Video Studio certificate program may find employment as computer support specialists in the field of multimedia as technicians and/or customer sales or service representatives.

## Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Organize and incorporate basic images in the creation of complex graphics.
- Produce motion animations and special video effects.
- Effectively utilize software to encode, author and burn DVDs.
- Identify, analyze, manipulate and fix common audio problems.
