

## Dental Assisting, Diploma

### School of Health Professions

---

#### Program Description

The Dental Assisting program offers the academic preparation and clinical training necessary to secure employment as a dental assistant. Dental assistants are employed by dentists in general and specialty practices as well as hospital dental clinics. The program includes clinical experience in all phases of dentistry while rotating through departments at the University of Pittsburgh School of Dental Medicine and private dental offices.

Upon successful completion of DAS 105, students are eligible to apply to take the Dental Assisting National Board (DANB) Radiation Health and Safety (RHS) Exam. Upon successful completion of the Dental Assisting Program, national DANB certification may be earned as a Certified Dental Assistant (CDA) upon successful completion of the DANB Infection Control (ICE) Exam and General Chairside (GC) Exam.

The program is accredited by the Commission on Dental Accreditation of the American Dental Association. The commission is a special accrediting body recognized by the United States Department of Education. The Commission on Dental Accreditation can be contacted at 312-440-4653 or at 211 East Chicago Ave., Chicago, Illinois 60611.

#### Getting Started: General Application Process for Health Professions Programs

- Apply to be a Westmoreland County Community College Student.
- Submit official transcript from all secondary schools attended, graduate equivalency degree (GED) programs and any other formal educational program beyond high school.
- Applicants for the Westmoreland County Community College Health Profession programs must be a Westmoreland County Community College student and have an active Student ID and college email account.
- Applicants for the Health Professions Programs must also have attended any college required planning sessions and placement assessment(s) and completed any developmental coursework that may be required based upon the assessment evaluation prior to applying for the selected Health Profession.
- Complete and submit an application for the specific Health Profession Program (Dental Assisting, Dental Hygiene, Diagnostic Medical Sonography, Expanded Functions Dental Assisting, Medical Assisting, Nursing, Phlebotomy/Specimen Processing, Surgical Technology or Radiology).
- Submit all required documents to the College by the deadline.
- Qualified applicants to the Dental Hygiene, Diagnostic Medical Sonography, and Nursing Program will be invited to take the standardized entrance examination. The score on this examination is utilized in the selective admissions process. You may only take this examination once per admission cycle.
- Preference for admissions will be given to students who exceed minimum criteria

#### Special Admission and Selection Criteria for the Dental Assisting Diploma Program

Admission to the Dental Assisting program is highly competitive and enrollment is limited. Specific criteria for admission and selection are as follows:

- Students may take the Dental Assisting program's general education courses before acceptance into the program. All courses must be completed with a "C" or better to count for the program.
- Applicants who have completed 12 or more college-level credits towards a GPA at WCCC must attain a minimum 2.0 GPA:
  - Students with less than 12 college-level credits at WCCC will be evaluated based on:
    - a minimum 2.0 GPA overall if the applicant has completed 12 or more college-level credits at other post-secondary institutions OR
    - a minimum 3.0 High School GPA OR
    - a minimum 165 on the GED (minimum 15 on HiSET subtests)
  - If GPA is less than 2.0, one or more of these courses may be repeated to meet the requirements before testing.
  - Transfer courses are not calculated into the GPA
  - Preference may be given to applicants who exceed the minimums.

*For Fall Start:*

Application Deadline – January 12 prior to Fall start  
Acceptance Notification – Mid-March.

#### Final Admission Criteria

Students accepted into the School of Health Professions are required to have a health clearance, criminal background check, child abuse history and drug screening at the student's expense.

The Program Director of each Health Profession Program gives the accepted student directions for setting up a password-secure Castle Branch Account.

Castle Branch is the background screening and compliance tracking company, which provides Westmoreland County Community College Health Profession Programs with student background screening services.

Castle Branch background screening and compliance management includes:

- Background Checks (FBI Fingerprint Check, Criminal Background Check and Child Abuse Clearances)
- Urine Drug Screen
- Immunization and Record Tracking
- Houses Tuberculosis screening results
- CPR Training Documentation
- Liability Insurance (if applicable for program)
- Houses the results of the Required Health Physical.

Final admission is conditional pending:

## Dental Assisting, Diploma

### School of Health Professions

---

- Receipt of Urine Drug Screen to determine if there are any substances that will prevent the applicant from participating in clinical experiences or bar entry into Health Profession Programs.
- Receipt and evaluation of Criminal Background Check to determine if there is any conviction that may bar the applicant from entering the Health Profession Programs.
- Receipt of proof of vaccinations including, but not limited to, MMR, Varicella, Tdap, HepB, Flu, and COVID-19 that are necessary to participate in clinical experiences.
- Receipt of Child Abuse History to determine if there is any conviction that may bar the applicant from entering the Health Profession Programs.

### Essential Cognitive, Physical and Behavioral Functions

The Westmoreland County Community College Health Profession Programs including Nursing, Dental Programs, Radiology, Sonography, Medical Assisting, Surgical Technology, Phlebotomy and Specimen Processing require that students meet certain functional abilities essential to each program. A detailed list is available in each program's handbook.

Please be aware that based on ongoing changes occurring in the dental profession, it may be necessary to modify courses listed in this catalog to meet changing practice competencies.

Upon successful completion of this program, students will be able to:

- Perform clinical dental assisting procedures with competence.
- Manage asepsis, infection and hazard control protocol consistent with published professional guidelines.
- Perform procedures specific to the work of the dental assistant, e.g., taking preliminary impressions, charting and data collection.
- Obtain and record accurate medical/dental histories and vital signs.
- Assist in the management of medical and dental emergencies.
- Provide oral health instruction and communicate effectively with patients and dental health team members.
- Expose, process and evaluate all types of oral radiography.
- Perform laboratory procedures associated with chairside assisting.
- Operate all dental equipment safely, effectively and efficiently.
- Perform basic office business procedures accurately.
- Successfully complete the dental assisting national board exam and applicable state credentialing.
- Assume responsibility for their own actions within the legal and ethical framework of dental assisting.
- Develop an attitude of responsibility for continued professional development, through encouragement to participate in professional organizations and continuing education opportunities.
