ADVANCED STANDING FOR LPNs

School of Health Professions

Program Description

The Westmoreland County Community College Associate Degree Nursing Program is a selective admission program that prepares students for a career path in nursing. Nursing students are equipped with the skills needed to assess clinical scenarios, navigate patient interactions and work successfully in a variety of health care settings. Enrollment is limited by the clinical placement necessary to complete the nursing course requirements. Credit for prior learning will be given to Licensed Practical Nurses (LPNs) who meet the criteria.

The program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326; phone 404-975-5000. The ACEN is responsible for the specialized accreditation of nursing education programs and is nationally recognized as a specialized accrediting agency for both postsecondary and higher degree programs in nursing education. The Nursing program is approved by the PA State Board of Nursing, <https://www.dos.pa.gov>. The Nursing program utilizes Standardized testing to assess student performance.

Getting Started: General Application Process for Health Professions Programs

- Apply to be a Westmoreland County Community College Student.
- Submit official transcript from all secondary schools attended, graduate equivalency degree (GED) programs and any other formal educational program beyond high school.
- Applicants for the Westmoreland County Community College Health Profession programs must be a Westmoreland County Community College student and have an active Student ID and college email account.
- Applicants for the Health Professions Programs must also have attended any college required planning sessions and placement assessment(s) and completed any developmental coursework that may be required based upon the assessment evaluation prior to applying for the selected Health Profession.
- Complete and submit an application for the specific Health Profession Program (Dental Assisting, Dental Hygiene, Diagnostic Medical Sonography, Expanded Functions Dental Assisting, Medical Assisting, Nursing, Phlebotomy/Specimen Processing, Surgical Technology or Radiology).
- Submit all required documents to the College by the deadline.
- Qualified applicants to the Dental Hygiene, Diagnostic Medical Sonography, and Nursing Program will be invited to take the standardized entrance examination. The score on this examination is utilized in the selective admissions process. You may only take this examination once per admission cycle.
- Preference for admissions will be given to students who exceed minimum criteria

Special Admission and Selection Criteria for the Advanced Standing Associate Degree Nursing Program

Guidelines: Applicants to the associate degree nursing program must submit the appropriate forms to the College.

Minimum Criteria:

- Must hold a current and unencumbered Pennsylvania Practical Nursing license
- High school transcript validating the successful completion of academic work equivalent to a standard high school program with a minimum of 16 units:
 - English (4 units)
 - Social studies (3 units)
 - Mathematics (2 units, one in algebra required)
 - Science (2 units - one in chemistry with a laboratory and one in biology with a laboratory)
 - If high school algebra, chemistry and biology were not successfully completed with a "C" grade or better, applicants may meet these application requirements by completing MTH 052, MTH 052A, CHM 107, and BIO 107 with a "C" grade or better.
- Applicants who have completed 15 or more credits towards a GPA at WCCC must attain a 2.5 GPA:
 - Students with less than 15 credits will be evaluated based on:
 - A minimum 2.5 GPA overall if the applicant has completed 15 or more college-level credits at other post-secondary institutions OR
 - A minimum 3.0 High School GPA OR
 - A minimum 165 on the GED (minimum 15 on HiSET subtests)
 - If GPA is less than 2.5, one or more of these courses may be repeated to meet the requirements before testing.
 - Transfer courses are not calculated into the GPA
 - Preference may be given to applicants who exceed the minimums.
- Applicants must take an LPN to RN transition foundation of nursing practice examination administered by Westmoreland; eligible applicants will be notified of the testing date and fee
- LPN applicants must submit an Application for Admission Form and Allied Health Programs Application to the College.

Pre-Testing Criteria and Required Documents:

- Proof of completion of required courses or enrollment in equivalent courses via high school and or college transcripts. It is the students responsibility to provide transcripts to the admissions office.
- Westmoreland transcript must include the following courses and GPA must be at least 2.5 and a C or

better in the following courses prior to beginning the program:

- BIO 171 – Anatomy and Physiology I
- BIO 172 – Anatomy and Physiology II
- PSY 160 – General Psychology
- ENG 161 – College Writing
- CPT 150 – Microcomputer Concepts
- Additional required documents:
 - LPN Program Transcript
 - Copy of Current Pennsylvania LPN License

Level 2 (LPNs) Deadlines

Day Program Option	
Application Deadline	January 12 prior to fall start
LPN Transition Course: NSG 200/ NSG 114	Summer semester prior to fall start
Start Nursing Classes	Fall Semester
Evening Program Option	
Application Deadline	May 15 prior to spring start
LPN Transition Course: NSG 200/ NSG 114	Fall semester prior to spring start
Start Nursing Classes	Spring Semester

Final Admission Criteria

Students accepted into the School of Health Professions are required to have a health clearance, criminal background check, child abuse history and drug screening at the student's expense.

The Program Director of each Health Profession Program gives the accepted student directions for setting up a password-secure Castle Branch Account.

Castle Branch is the background screening and compliance tracking company, which provides Westmoreland County Community College Health Profession Programs with student background screening services.

Castle Branch background screening and compliance management includes:

- Background Checks (FBI Fingerprint Check, Criminal Background Check and Child Abuse Clearances)

- Urine Drug Screen
- Immunization and Record Tracking
- Houses Tuberculosis screening results
- CPR Training Documentation
- Liability Insurance (if applicable for program)
- Houses the results of the Required Health Physical.

Final admission is conditional pending:

- Receipt of Urine Drug Screen to determine if there are any substances that will prevent the applicant from participating in clinical experiences or bar entry into Health Profession Programs.
- Receipt and evaluation of Criminal Background Check to determine if there is any conviction that may bar the applicant from entering the Health Profession Programs.
- Receipt of proof of vaccinations including, but not limited to, MMR, Varicella, Tdap, HepB, Flu, and COVID-19 that are necessary to participate in clinical experiences.
- Receipt of Child Abuse History to determine if there is any conviction that may bar the applicant from entering the Health Profession Programs.

Essential Cognitive, Physical and Behavioral Functions

The Westmoreland County Community College Health Profession Programs including Nursing, Dental Programs, Radiology, Sonography, Medical Assisting, Surgical Technology, Phlebotomy and Specimen Processing require that students meet certain functional abilities essential to each program. A detailed list is available in each program's handbook.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

Caring (QSEN: Patient Centered Care)

1. Provide safe, quality, evidenced-based, patient-centered care with respect for diversity across the lifespan.

Competency (QSEN: Safety)

2. Implement technical aspects of care by following the standards of safe, professional practice.

Communication (QSEN: Teamwork and Collaboration)

3. Implement therapeutic and professional communication when participating in the collaborative care of patients and their families.

Clinical Judgment (QSEN: Evident-Based Practice and Informatics)

4. Use the nursing process, critical thinking, and clinical reasoning to manage patient care.
5. Use information technologies to coordinate safe care for individuals and their families.

Commitment (QSEN: Quality Improvement)

6. Incorporate nursing actions within the legal and ethical framework of nursing practice by conducting self in a civil and professional manner.
