Program Description

The Westmoreland County Community College Associate Degree Nursing Program is a selective admission program that prepares students for a career path in nursing. Nursing students are equipped with the skills needed to assess clinical scenarios, navigate patient interactions and work collaboratively with other healthcare professionals to improve patient outcomes. Enrollment is limited by the clinical placement necessary to complete the nursing course requirements.

The program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 303266; phone 404-975-5000. The ACEN is responsible for the specialized accreditation of nursing education programs and is nationally recognized as a specialized accrediting agency for both postsecondary and higher degree programs in nursing education. The Nursing program is approved by the PA State Board of Nursing, <https://www.dos.pa.gov>. The Nursing program utilizes Standardized testing to assess student performance.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

Caring (QSEN: Patient Centered Care)
1. Provide safe, quality, evidenced-based, patient centered care with respect for diversity across the lifespan.

Competency (QSEN: Safety)
2. Implement technical aspects of care by following the standards of safe, professional practice.

Communication (QSEN: Teamwork and Collaboration)
3. Implement therapeutic and professional communication when participating in the collaborative care of patients and their families.

Clinical Judgment (QSEN: Evidence-Based Practice and Informatics)
4. Use the nursing process, critical thinking, and clinical reasoning to manage patient care.
5. Use information technologies to coordinate safe care for individuals and their families.

Commitment (QSEN: Quality Improvement)
6. Incorporate nursing actions within the legal and ethical framework of nursing practice by conducting self in a civil and professional manner.
