FINANCE

School of Business

Program Description

The Business Finance AAS program is designed to provide students with a broad basis in general business topics with an emphasis on finance theory and application.

Career Opportunities

The field of finance addresses how individuals and business institutions allocate and use resources over time while considering the risks associated with their projects. Finance is used by individuals, governments, businesses, and nonprofit organizations. Careers in commercial banking, real estate, financial planning, and insurance are examples of career paths one can take after studying finance.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Exhibit effective written and oral communication skills.
- Demonstrate knowledge of the business environment.
- Demonstrate proficiency with the core principles of financial theory and practice.
- Practice effective problem-solving and decision-making skills.
- Recognize ethical and global dimensions in business practice.
