

Business, Certificate

FINANCE

School of Business

Program Description

The Business Finance Certificate offers students the opportunity to gain proficiency in managing the financial functions of a business. Courses included in this certificate may be applied toward the Business AAS Finance option.

Career Opportunities

Graduates of the Business Finance Certificate may find employment as bank managers, consumer loan officers, commercial lending managers, investment managers, insurance agents, and financial analysts. Job opportunities will be available in the financial departments of large corporations and in commercial lending companies, consumer finance organizations, banks, and insurance companies.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Participate in developing and implementing a financial plan.
- Manage the financial activities in a business organization.
- Engage in investment planning and credit management.
