

# Liberal Arts, AA

## School of Art, Humanities, Social Sciences and Public Service

### Program Description

The Liberal Arts AA degree is designed to provide a comprehensive, two-year education while preparing students for transfer to a 4-year college or university. Its framework assures that students receive instruction in the full range of General Education topics (English, Humanities, Social Science, Mathematics, Natural Science, and Tech Literacy) and that they can also pursue personal learning goals through elective courses. Completion of the degree requires a minimum of 60 credits.

Westmoreland has articulation agreements with many four-year colleges and universities that transfer this degree into numerous baccalaureate programs.

Students are advised to determine their program and transfer destination early in the program. This will aid in successful transfer. Students should consult with their assigned advisor and/or transfer counselor to assist in choosing courses that are most appropriate for their educational plan.

### Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Communicate effectively in writing and speech.
- Solve problems and make decisions by applying both creative thinking and quantitative reasoning.
- Apply information and technological literacy in order to thrive in today's society.
- Understand how humans respond to their physical and social environment.
- Learn how personal community involvement can positively impact the world.
- Recognize diverse perspectives, cultures, and values to make effective decisions built on social responsibility.
