

**Nuclear Medicine Technology Program (AAS)****Application Deadline: June 15**

Thank you for your interest in Westmoreland County Community College's Nuclear Medicine Technology program. This program has requirements in addition to the Application for Admission to the college. Use the checklist below to ensure that you successfully complete all of the requirements to apply to the program. This program is primarily online. The students will have to complete several in-person clinical preceptorships. The Program Director will work with students to find a clinical preceptorship in their location, but the college does not guarantee that such a placement can be found at all locations.

- ☐ **Age Requirement** for health professions is to be 18 by June 1st of the year the application is due
- ☐ **Become** a Westmoreland student by applying at <https://apply.westmoreland.edu/>
- ☐ **Submit** an official transcript from your high school (or proof of GED) and from any other colleges attended. A final official transcript must be sent after graduation (high school), if accepted.
- ☐ **Schedule** your placement assessment at [https://westmoreland.edu/admissions\\_aid/apply/assessment-educational-planning.html](https://westmoreland.edu/admissions_aid/apply/assessment-educational-planning.html)
- ☐ **Complete** any developmental courses into which you are assessed.  
Developmental courses do not count in your Westmoreland GPA.

<input type="checkbox"/> ALEKS score of 46 or higher#		If not successful, completion through MTH 100
<input type="checkbox"/> HS GPA of 2.5 or higher#		If not successful, completion through ENG 095

- ☐ **Complete** the following courses with a grade of "C" or better by the Program's application deadline. Only credit courses taken at Westmoreland are considered when calculating GPA.

<input type="checkbox"/> High School Biology with Lab		If no High School Biology with Lab, BIO 107
<input type="checkbox"/> High School Chemistry with Lab		If no High School Chemistry with Lab, CHM 107
<input type="checkbox"/> PHY 110 or PHY 107		
<input type="checkbox"/> If transferring from another institution, proof of completion of MTH 100 equivalent or higher Math		

- ☐ If you have 15 college-level credits with Westmoreland, **attain** a minimum GPA of 2.5 by the Program's application deadline.
- ☐ If you have less than 15 college-level credits with Westmoreland, **attain** one of the following by the Program's application deadline:
  - a minimum 2.5 GPA for a student who has earned 15 or more college-level credits at other post-secondary institutions (this GPA will be a composite score representing all institutions attended)
  - a minimum 3.0 GPA from secondary school (high school). If accepted prior to high school graduation, your admission will be contingent on having a minimum 3.0 GPA on your final transcript after graduation.
  - a minimum of 165 on the GED or a minimum of 15 on each subtest of HiSET.

- ☐ **Complete and Submit** the Health Professions Program Application.  
<https://w3cadmin.wufoo.com/forms/health-professionals-program-application/>

- ☐ **Complete** the following course with a C or better before you can begin the program

Course ID	Grade	Prereq(s)
BIO 171		CHM 155, 107, 225, or HS Chemistry and ENG 095 or Placement

***Be sure to check the college catalog for additional information.***

\*or equivalent placement score on other placement exams such as ACT or SAT

**Nuclear Medicine Technology Program (AAS)**

## Additional Courses

The following courses may be completed before entering the program. In order to count for the program, you must get a C or better in each of these courses. Courses completed and passed before the application will be considered positively when evaluating students for entry. Please refer to the catalog to determine when these courses must be completed within the program.

	PDV 101		
	ALH 122		
	BIO 172		BIO 171
	CPT 150		
	ENG 161		ENG 085 or Placement
	PHL 203		
	MTH 157		MTH 100 or Placement
	PSY 160		
	SPC 156		

PLEASE NOTE: Admission decisions are based on several factors that contribute to the overall admission score, including GPA and a pattern of success in courses already taken. Admission to the Nuclear Medicine program is competitive, with a limited number of seats available.
