- Zachary Hurst, Student Government Association Vice President
- Review of the day-Julie Greathouse

1:30-2:20 **Career Connections**

Career Planning Coordinator, Diane Metz

During this session, you will learn about the free resources and services available to you through the Career Connections Center. Whether you have a little or a lot of professional experience connect with us from the start of your program to ensure you have the career readiness skills employers seek.

2:20-3:10 **Discover the Division**

Dean Barnette and Faculty

During this session, you will have the opportunity to meet the Dean and faculty in your School. You will gain a better understanding of what course work will look like, the expectations of your faculty, and how majors can help you accomplish your life goals.

3:10-3:30 **Paying for College**

Director of Financial Aid, Darylann Thomas

During this session, you will have your basic financial aid questions answered. You will learn about the many options available to students and families to help pay for college, such as, federal and state financial aid, loans, grants and much more.

3:30-3:45 **Break**

- 3:45-4:25** **Academia 101**
English & Psychology Faculty, Vicky Krug
English Faculty, Christopher Davis
Art Faculty, Michael McDevitt
Get connected in the classroom: this session will teach you what to expect in your Westmoreland classrooms and provide helpful advice about navigating your college academic experience.
- 4:25-5:05** **Student Success**
