

# Alumni Spotlight Featuring Daniel McCormick

Our featured alumnus, Daniel McCormick, 23, of Greensburg, attended Westmoreland County Community College from 2021-2022 for general education credits and then returned in 2024 for Real Estate courses.

“After graduating from Hempfield, I always knew I wanted to further my education but wasn't sure exactly what I wanted to do. Westmoreland gave me the financial freedom to be able to take different classes without spending tons of money,” McCormick said.

McCormick is a licensed Real Estate Agent for Berkshire Hathaway HomeServices: The Preferred Realty. He is also a part of the Westmoreland West Association of REALTORS® which helps set standards and rules for agents and provides us with many helpful resources.
