Please Read and Keep for Reference

Dear Student,

Thank you for your interest in the Clinical Laboratory Technology program at Westmoreland County Community College. Your COMPLETED application to the program must be in to the Admissions Office (or postmarked) by January 5. There will be NO exceptions. A completed application means that all requirements including applications, transcripts, placement tests, required courses, etc. must be submitted by January 5. Nothing is to be outstanding by the application deadline date. If you are not accepted to the program, you must submit a new application yearly to your program of choice. We have provided the checklist below for you to ensure that your application is complete.

WCCC Transcript to be supplied by college.
