**Continuing Education Units (CEUs)**

Continuing Education Units (CEUs) are awarded to a student at the rate of 1 CEU for every 10 hours of contact. The CEU is a nationally recognized unit of measure to record an individual’s continuing education. CEUs do not correlate to college credit classes. The college maintains student records of CEU accomplishments and copies are available through the Records Department.

**Notice of Nondiscrimination**

Westmoreland County Community College will not discriminate in its educational programs, activities or employment practices based on race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, union membership or any other legally protected classification. Announcement of this policy is in accordance with state law including the Pennsylvania Human Relations Act and with federal law, including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 503 and 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans with Disabilities Act of 1990. Inquiries should be directed to the Affirmative Action Officer (presently Sylvia Detar) at 724-925-4190 or in Room 4100D, Business & Industry Center, Youngwood, PA 15697.
Fitness/Health

Dining with Diabetes
Learning that you have diabetes can be overwhelming at first. There are many new things to learn, and it can be difficult to know where to start. A registered dietitian from Penn State Cooperative Extension will lead discussions to help you understand some of the most important things you need to know to manage your diabetes. She will address important numbers you need to know, planning healthy meals, healthy food preparation and the importance of physical activity. Classes are offered weekly for four weeks, with a three-month follow-up class. The first class meets for two and a half hours, with remaining classes meeting for two hours. Lab tests will be offered at no additional charge to measure your A1c. You will receive handouts and a variety of resources, including a complete collection of Dining with Diabetes recipes. If you have been told you have Type 2 diabetes, you will want to attend this class. This class is offered in partnership with Penn State Cooperative Extension. Registration ends June 14. Tuition is $50 per student. A family member may accompany the student for $15. Both must register. Dori L. Campbell, MS, RD, LDN, Carrie Masterson, 1.5 CEUs

Thursdays, June 22, 29, July 6, 13 and September 21. 6-8 p.m. (first class 6-8:30 p.m.)
PRDX 1388-01 Student
PRDX 1388-02 Additional family member

Adult Weight Management
Do you want to lose weight or maintain your weight loss? You will be introduced to basic nutrition, healthy meal planning, goal setting, exercise tips, motivational strategies, correct supplementation and avoidance of fad diets. Sample meal plans, label reading guide and grocery shopping plans will be provided. Leah Firestone, $32 tuition + $2 material fee, .6 CEUs

PHSX 8991-01 2 Wednesdays starting June 21, 6-9 p.m.

Heartsaver CPR AED with Pediatric AED
A classroom, video-based, instructor-led, American Heart Association course that teaches adult and child CPR and AED use, as well as how to relieve choking. Teaches skills with AHA’s research-proven Practice-While-Watching (PWW) technique, which allows the instructor to observe you, provide feedback and guide your learning of skills. For anyone with limited or no medical training who needs a course completion card in CPR and AED to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. Textbook available at the college bookstore. $29 tuition + $9 material fee + required text (review of textbook prior to class is required), .4 CEUs
MEDX 1019-01 Tuesday, June 13, 6-10 p.m.
MEDK 1019-96 Tuesday, June 13, 9 a.m.-1 p.m. (Ages 9-13)
MEDK 1019-97 Friday, June 16, 9 a.m.-1 p.m. (Ages 14-17)

Heartsaver First Aid
A classroom, video-based, instructor-led, American Heart Association course that teaches critical skills to respond to and manage an emergency in the first few minutes until emergency medical services (EMS) arrives. You will learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. For anyone with limited or no medical training who needs a course completion card in first aid to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. This course meets OSHA-compliant first aid training requirements. Textbook available at the college bookstore. $25 tuition + $9 material fee + required text (review of textbook prior to class is required), .3 CEUs
MEDX 3028-01 Tuesday, June 20, 6:30-9:30 p.m.
MEDK 3028-96 Tuesday, June 20, 9 a.m.-noon (Ages 9-13)
MEDK 3028-97 Friday, June 23, 9 a.m.-noon (Ages 14-17)

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
Barre
Combining ballet, pilates and yoga all into one great workout! This class will focus on lengthening and toning your upper and lower body, lifting and toning your back body and strengthening the front core. Barre will wake the muscles that sleep throughout your work day. Bring a yoga mat, light hand-held weights (2-3 lbs.) and resistance band. Jennifer Goebel, $49 tuition, .8 CEUs
PHSX 0199-01 8 Wednesdays starting June 7, 5:45-6:45 p.m.

Happy Healthy Living: Chinese Exercises & Acupressure
Chinese Medical Exercises and acupressure massage therapy is based on the traditional Chinese medicine meridian theory which has been used in the treatment and prevention of illness for over two thousand years. You will learn and practice these exercises that consist of pressing one's own pressure points and stimulating areas of the body that will help you develop muscle tone, boost your immune system, balance emotions, flush out toxins and open blockages to improve circulation and energy flow and balance Yin and Yang. Lingzhi Cai, M.D., Ph.D., $55 tuition + $2 material fee, 1.2 CEUs
MEDX 3009-60 6 Thursdays starting June 8, 6-8 p.m.
(Westmoreland-Latrobe)

Health & Well-Being Sampler
Bring balance into your life through four (4) short Qi Gong techniques; guided meditation, breathing, self-massage and “focus wheel.” Wear comfortable clothes and shoes to class. Linda Vucelich, $13 tuition, .2 CEUs
MEDX 3036-60 2 Thursdays starting July 20, 7-8 p.m.
(Westmoreland-Latrobe)

Qi Gong for Energy & Health
In four sessions, you will learn a complete nine minute system of 13 simple, flowing movements. This practice increases and strengthens the immune system’s functioning and promotes overall harmony and well-being with movement, breathing and repetition. Qi Gong (Qi means energy and Gong means practice) is the foundation of Tai Chi. No experience needed. Wear comfortable clothes. Linda Vucelich, $35 tuition, .5 CEUs
MEDX 6913-10 4 Thursdays starting August 3, 10-11:15 a.m.

NEW - The Breath
Stress, anxiety, depression, chronic health issues...Learn to use your breath to empower your health journey. Scientific studies are proving the power of your breath. Come and learn some breath practices in a comfortable and supportive atmosphere. Seating will be accommodating to body type. Bring a blanket and water. Stacey McBeth, $12 tuition, .2 CEUs
PHSX 0660-01 Thursday, June 8, 5:30-7:30 p.m.

For more information about Personal Enrichment classes, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

Unless otherwise noted, classes are for ages 18 and older.
Hatha Yoga

Yoga is an ancient practice that promotes a sense of inner peace through a series of physical exercises (asanas or postures) and breathing techniques. What sets yoga apart from fitness programs is an emphasis on the breath, as well as a noncompetitive attitude. We will concentrate on Hatha Yoga stretches, centering and meditation. Meditations will have themes of yogic principles and peace. All poses are presented with options for all levels from beginners to intermediate so everyone feels comfortable.

Yoga is all about breathing, smiling, feeling better and being more at peace. Bring yoga mat to class. For class held in Youngwood, also bring yoga block and strap. $49 tuition, 1.0 CEUs

PHSX 9490-60 Tracy Tryall Cedergren
8 Mondays starting June 5, 6-7:15 p.m.
(Westmoreland-Latrobe)

PHSX 9490-01 Jennifer Goebel
8 Wednesdays starting June 7, 7-8:15 p.m.

History of Yoga

Yoga is more than postures and the breath. It has been practiced for thousands of years and has evolved over time. Understanding its rich tradition and history may help you incorporate it into your daily life. Jennifer Goebel, $29 tuition, .6 CEUs

PHSX 3057-60 4 Thursdays starting June 22, 7-8:30 p.m.
(Westmoreland-Latrobe)

Zumba

A mixture of Latin and international music and dance combined with fitness provides an invigorating and effective workout. It is so much fun you won’t believe you are exercising! Wear good, supportive sneakers and bring water. Missy Troxell, $49 tuition, .8 CEUs

PHSX 9980-01 8 Mondays starting June 5, 5:30-6:30 p.m.
Food

Cake Decorating I
Learn all the basics of cake decorating, including seven borders, 13 flowers, basket weave, lattice and transfers. The first session meets for only one hour to receive a material list and discuss supplies. Limit 12 students. Mary Lou Cinciripini, $85 tuition + $7 material fee, 1.5 CEUs
FODX 0460-01 8 Tuesdays starting
June 6, 6-8 p.m.
(first class 6-7 p.m.)
(no class July 4)

Fondant & Gum Paste
If you enjoyed playing with clay as a child, you’ll love decorating with fondant. Learn to decorate your cakes with leaves, borders and cutouts using flexible, easy-to-shape fondant and create beautiful flowers such as calla lilies, carnations, roses, lilies, daisies and tulips out of gum paste. You will decorate a cake with fondant and the flowers you created in the final class. Must have prior cake decorating knowledge. Registration closes one week prior to the start date. Supply list will be mailed. Mary Lou Cinciripini, $59 tuition + $7 material fee, 1.2 CEUs
FODX 2159-10 4 Wednesdays starting
July 19, 6-9 p.m.

Stir Fry
Shrimp with chicken stir-fry and a vegetable stir-fry served with wonton soup. It is recommended you bring an apron. Amy Gong, $25 tuition + $15 material fee, .35 CEUs
FODX 7566-01 Thursday, June 8, 6-9:30 p.m.

Palachinki & Green Bean Soup
A Slovak crepe filled with cottage cheese or lekvár served with a sour soup with green beans, potatoes, carrots and celery in a light cream broth. It is recommended you bring an apron. Deborah Moore, $25 tuition + $10 material fee, .4 CEUs
FODX 6495-01 Tuesday, June 13, 5:30-9:30 p.m.

Mom’s Nut Rolls
Come to class and learn how to make this traditional sweet bread pastry from scratch using yeast dough and a buttery, sweet walnut filling. You will take two nut rolls home. It is recommended you bring an apron. Deborah Moore, $29 tuition + $15 material fee, .4 CEUs
FODX 6005-01 Thursday, June 15, 5:30-9:30 p.m.

Cheregi
A light Slovak knot doughnut rolled in powdered sugar or cinnamon sugar. You will go home with a couple dozen cheregi. It is recommended you bring an apron. Deborah Moore, $25 tuition + $9 material fee, .35 CEUs
FODX 0903-01 Tuesday, June 20, 6-9:30 p.m.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
Pagach
Pagach is a yeast filled dough that is stuffed with potato and cheese, fried sauerkraut, fried sweet cabbage or cottage cheese. It is the Slovak version of a calzone. It is recommended you bring an apron. Deborah Moore, $27 tuition + $9 material fee, .4 CEUs FODX 6490-10 Tuesday, July 11, 5:30-9:30 p.m.

Spring Roll
Pork, shrimp and vegetable spring rolls served with hot and sour soup. It is recommended you bring an apron. Amy Gong, $25 tuition + $14 material fee, .35 CEUs FODX 7563-10 Tuesday, July 18, 6-9:30 p.m.

Pirohi (Pierogies)
Potato, cheese and sauerkraut filled pirohi just like grandma made. You will leave class with a dozen pirohi you prepared. It is recommended you bring an apron. Deborah Moore, $27 tuition + $10 material fee, .35 CEU FODX 6644-10 Thursday, July 20, 6-9:30 p.m.

Bolbaki
Light and airy balls of dough served with sauerkraut. It is recommended you bring an apron. Deborah Moore, $27 tuition + $11 material fee, .4 CEU FODX 0447-10 Thursday, July 27, 5:30-9:30 p.m.

Law & Money
Protect Your Assets
Protecting your hard-earned assets is a challenge. Learn the facts on nursing home care, Medicaid and retirement planning. Discussion will include how to protect your assets from a nursing home stay, the biggest mistake seniors make on titling assets, estate planning for the middle class and minimizing taxes upon death. David Mickley, CLU, MSFS, ChFC, CFP®, CMP™, CLTC, $25 tuition, .3 CEUs FINX 7553-01 Thursday, June 15, 6-9 p.m.

Estate Planning
This class provides fundamental estate planning strategies to help you reduce costs/taxes and avoid the pitfalls that commonly occur with simple estates. Topics include: avoidance of probate, Medicare reimbursement for nursing homes and guardianship proceedings. Attorney Eric Bononi, $9 tuition, .1 CEUs FINX 1752-01 Monday, June 19, 7-8 p.m.

Paying for Long-term Care
The average cost of nursing home care in the Commonwealth of Pennsylvania is now over $8,400 a month. What would your family do if faced with a nursing home stay? What is the difference between Personal Care, Assisted Living and Nursing Home Care? What options exist to allow loved ones to stay at home? What benefits are available to help pay for the care we need? Will I lose my house if I accept help from Medicaid? This class will discuss the answers to these questions and more. Colleen Bratkovich, Esquire, $29 tuition, .6 CEUs FINX 4860-01 2 Wednesdays starting June 21, 6-9 p.m.

Real World Retirement Planning
Americans will work more than 90,000 hours earning a living and building a nest egg, yet many spend less than ten hours preparing for a successful retirement. Don’t let this be you! Find out how to get the most from investments, social security and retirement plans. David Mickley, CLU, MSFS, ChFC, CFP®, CMP™, CLTC, $25 tuition, .3 CEUs FINX 6700-10 Thursday, July 13, 6-9 p.m.

For more information about Personal Enrichment classes, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190 or detars@westmoreland.edu.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
Buying a Home in Today’s Market
Buying a home is one of the most important investment decisions you can make. This course will provide an overview on where to start, what to look for in determining value, best financing for your lifestyle and needs, making the best investment, inspections, understanding the contract and more. Scott Ludwick, $12 tuition, .2 CEUs
RESX 0460-01 Thursday, June 8, 6-8 p.m.

Selling a Home in Today’s Market
Whether you sell your home on your own or go through an agent, this class will be beneficial for you. Preparing your home for the market, determining value, maximizing the selling price, avoiding problems, reducing selling time and understanding the contract will be covered. Scott Ludwick, $12 tuition, .2 CEUs
RESX 7500-01 Thursday, June 22, 6-8 p.m.

Student Loan Debt Relief
There are three government sites that provide student loan guidance and information. Dealing directly with the government can be intimidating and a challenge. The valuable information from these sites will be presented to show you alternatives available to reduce your student loan payments, as well as, strategies to rapidly paying off what can otherwise be crushing long-term debt. Also presented will be advantages to consolidation and how to switch plans for your maximum advantage as circumstances change. Reducing monthly student loan payments can be instrumental in reducing other debts. Linda Banks, $29 tuition + $8 material fee, .3 CEUs
FINX 7580-01 Thursday, June 22, 6-9 p.m.

Invest in Your Debt
Learn how to pay off all debt, including mortgages, in 7 to 10 years using only present income. You will learn specific mathematical techniques for rapidly paying down debt. Whether you earn $20,000 or $120,000, you will benefit from this practical, proven method. No get-rich-quick schemes—just simple math and surprising results. Bring a list of your debts, with balances and monthly payments, along with a calculator to class. Optional textbook available from the instructor for $45. Linda Banks, $29 tuition + $7 material fee, .3 CEUs
FINX 3220-01 Thursday, June 29, 6-9 p.m.

Real Estate Investments
Interested in investing in real estate? Increase your chances of success by learning some fundamentals of this business. Topics covered will include methods to selecting profitable properties, how to find great deals, financing, rehab and project management, buying and holding properties, flipping, tenant selection and management, title insurance and other tips to starting and growing your real estate business. Otis DiCerbo, $29 tuition + $2 material fee, .3 CEUs
FINX 6699-01 Thursday, June 15, 5-8 p.m.

For textbook prices and information, visit westmoreland.edu/bookstore.
Personal Interest

The Art of Acting
A comprehensive study of acting technique through work on scenes, monologues, improvisation exercises, and script analysis with a particular emphasis on character development. Learn the differences between working on stage and in film; auditioning; cold reading vs. prepared material; agents; pictures; resumes; image; the New York, Los Angeles and Pittsburgh markets; unions; contracts; and business goal setting. You should have a committed attitude and be willing to do some rehearsal outside class. The instructor is an actor, writer, producer, and director. Among his acting credits are, “Lone Star,” “Corpsing”, and the upcoming television series, “The Outsiders”. Jeff Monahan, $95 tuition + $2 material fee, 2.0 CEUs

THAX 0010-01  8 Wednesdays starting June 7, 6-8:30 p.m.

NEW - Introduction to Instagram
With 500 million active monthly users, Instagram is one of the most popular social media outlets. Anyone interested in creating their own personal brand, wanting an outlet to feature your area of expertise, or who has a product or service to promote will find that Instagram is an excellent way to connect with others. This course will give you the fundamentals to start up your Instagram account, grow an engaged following, build content and identify ways to generate income. Bring smart phone to class. Instructor has nearly 6,000 followers and has had her content featured by a major retailer. Krista Boyer, M.B.A. Psy. D., $35 tuition + $2 material fee, .4 CEUs

JREX 3940-01  2 Tuesdays starting June 13, 6-8 p.m.

Introduction to Blogging
Have you ever thought about starting a blog? It can be overwhelming at first, but with the right tools and information, you cannot only start a blog but also make money doing it! You will be provided with the fundamentals of not only how to design your blog, but also how to write content, build relationships and conquer social media. Rachel Cunningham, $59 tuition + $8 material fee, 1.0 CEUs

PRDX 0512-01  4 Thursdays starting June 22, 6-8:30 p.m.

Listening 101
How good of a listener are you? Listening is a communication skill that requires focus, purpose, and the appropriate feedback. Come practice listening in a variety of situations. Improving your listening skills can benefit all areas of your life! Ann Osborne, $12 tuition, .2 CEUs

PRDX 4866-01 Thursday, June 15, 6-8 p.m.

How to Operate Your Digital Camera
Learn how to use your digital camera with ease and confidence through practical exercises and explanations. This course will show you how to use the buttons, dials and switches on your digital camera for better photographic results. Bring your digital camera and manual to class. Textbook available at the college bookstore. Alan Laick, $49 tuition + optional textbook, .9 CEUs

DAPX 1478-01  3 Tuesdays starting June 6, 6-9 p.m.

Digital Photography
Would you like to learn how to use your camera more effectively? This digital photography course is designed to teach beginners how to maximize their images. Learn the basics of photography such as lighting, shutter speed, aperture, exposure and ASA to take photographs and transform them into digital creations using a computer. Victor Pilipovich, $95 tuition + $2 material/lab fee, 1.8 CEUs

DAPX 1470-01  6 Tuesdays starting June 13, 6-9 p.m.
(no class July 4)

Photoshop, Level 1
With this hands-on course, you will enhance photos and artwork that will demonstrate the Photoshop basics and capabilities. Using the powerful tools of retouching, painting and drawing, you will be able to create dazzling images to make your presentations, newsletters or artwork pop. You should know how to use a computer, but no previous Photoshop experience is necessary. Victor Pilipovich, $89 tuition + $2 material fee, 1.5 CEUs

DAPX 6657-01  5 Wednesdays starting June 14, 6-9 p.m.
Medicare 101

Many decisions need to be made when you become eligible for Medicare. To assist you in making these informed decisions, information will be presented on Medicare benefits, Medicare Advantage options, Medigap plans and the Medicare prescription drug benefit. Information will be presented by the APPRISE program which is a program of the Department of Aging. The program provides free information and counseling to anyone who is Medicare eligible. No tuition,

2 CEUs
PRDX 2551-01 Wednesday, June 21, 6-8 p.m.

Introduction to Genealogy

Discover who your ancestors were and where they lived and provide your family with a legacy they will appreciate and cherish. Basic methods to conduct genealogical research will be reviewed to assist you in tracing your family tree. Frank Kordalski, Jr., $35 tuition, .6 CEUs
HSTX 2601-01 2 Mondays starting June 19, 6-9 p.m.

Golf (Ages 13 & older)

Beginners - learn the fundamentals. Recreational golfers - refine your skills. Focus is on grip, stance, driving, irons, chipping and putting. Bring any iron to first session, which is held at the Youngwood Campus, and be prepared to pay for a bucket of golf balls for classes two through six, which are held at the driving range. Willowbrook Mini Golf & Driving Range, 190 Slate Run Road, Greensburg. NOTE: Attendance at first classroom session is mandatory. Chad Seibel, $37 tuition, .6 CEUs
PHSX 2600-01 6 Tuesdays starting June 6, 5:30-6:30 p.m. (no class July 4)
PHSX 2600-02 6 Tuesdays starting June 6, 6:30-7:30 p.m. (no class July 4)
PHSX 2600-03 6 Wednesdays starting June 7, 5:30-6:30 p.m. (no class July 5)
PHSX 2600-04 6 Wednesdays starting June 7, 6:30-7:30 p.m. (no class July 5)

Essential Oils 101

Aromatic plants have long played an important role in human civilizations. Although the use of essential oils has evolved over the years, the basic principles remain the same. Oils extracted from aromatic plants have powerful, positive and therapeutic benefits to the mind and body. You will learn what essential oils are, why they work, and how to safely use them to boost the immune system, reduce stress and anxiety, improve sleeping and breathing, aid in digestion, soothe the body, balance emotions and elevate mood. During the last class, you will make a personalized oil blend to take home. Leigh Ann Brockhoff & Jamie Wieland, $39 tuition + $12 material fee, .6 CEUs
PRDX 1801-01 2 Tuesdays starting June 20, 6-9 p.m.
Handguns - Home Safety & Personal Protection
Applicable “use of force” issues and information, self-protection tips, knowledge of civil liability issues and information on various gun permits are the focus of this course. Class includes six hours of shooting at our firearms range. Bring your own handgun and at least 150 rounds of factory ammunition. No hand-loaded ammunition is permitted on range. Shooting is not required, but you will attend the range sessions to be exposed to weapons, understand how they function and appreciate their capabilities and limitations. Bring a holster that fits your handgun and wear a belt to the range portion of the class. Donald Hess, $125 tuition + $10 material fee, 1.6 CEUs
LAWX 2050-01 Monday & Wednesday, June 19 & 21, 6-10 p.m. (Youngwood) and Saturday, June 24, 8 a.m.-5 p.m. (Public Safety Training Center)
LAWX 2050-10 Monday & Wednesday, July 24 & 26, 6-10 p.m. (Youngwood) and Saturday, July 29, 8 a.m.-5 p.m. (Public Safety Training Center)

Advanced Handguns - Home Safety & Personal Protection
Further develop your marksmanship, decision-making skills, personal survival skills and knowledge of use of force issues. Topics covered will include legal ramifications, shooting from behind cover, effective target acquisition, shooting while stationary and on the move, and practical applications of tactical shooting. Class includes six hours of shooting on Westmoreland’s firearms range. Bring your own handgun and at least 150 rounds of factory ammunition. No hand-loaded ammunition is permitted on the range. Bring a holster that fits your handgun and wear a belt to the range portion of the class. Pre-requisite: Handguns - Home Safety and Personal Protection. Donald Hess, $59 tuition + $10 material fee, 0.8 CEUs
LAWX 2051-78 Saturday, June 10, 8 a.m.-5 p.m. (Public Safety Training Center)
LAWX 2051-79 Saturday, July 8, 8 a.m.-5 p.m. (Public Safety Training Center)

Advanced Handguns II
Continue your handgun training by shooting from various locations including the close confines of a vehicle using advanced target acquisition methods, shooting on the move, shooting from cover and speed shooting with accuracy. Prerequisite: Advanced Handguns (LAWX 2051). Donald Hess, $59 tuition + $10 material fee, 0.8 CEUs
LAWX 2053-78 Saturday, June 17, 8 a.m.-5 p.m. (Public Safety Training Center)
LAWX 2053-79 Saturday, August 26, 8 a.m.-5 p.m. (Public Safety Training Center)

Felted Wool Flowers
Using basic hand-sewing of simple shapes (no patterns needed), make realistic flowers from recycled wool clothing, such as slacks, skirts and blouses. Your flowers can be glued to a base or made into pins or hat ornaments. Bring sewing needle, neutral-colored thread, sharp scissors, wire cutters and, if available, wool fabric. To see instructor’s work, go to her Fancy Wool Flowers Facebook page. Registration closes one week prior to class start date. Nan Loncharich, $10 tuition + $5 material fee, 0.15 CEUs
CRFX 2173-01 Wednesday, June 14, 6-7:30 p.m.

Healthy Cooking Made Easy
Healthy cooking is not hard if you know the secrets to altering ingredients in your favorite recipes. You will be introduced to the concepts of decreasing fat, calories and/or increasing vitamins, minerals and fiber through the use of acceptable ingredient substitutions and processes. Leah Firestone, $32 tuition + $4 material fee, 0.6 CEUs
MEDX 3024-10 2 Wednesdays starting July 12, 6:30-9:30 p.m.

For more information about Personal Enrichment classes, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
PERSONAL ENRICHMENT

Test Preparation

GED Prep
Three online classes are available to assist you to prepare for the GED exam. One class reviews all five subjects that appear on the exam, another one focuses on math and the third class reviews the language arts and writing parts of the exam. All courses run for six weeks. Cost is $99 per class. To register, go to www.ed2go.com/wcconed.

Praxis Core Preparation
Are you a prospective teacher who needs to pass the Praxis Core Exam? Have you already attempted the Praxis Core and not been successful? If you answered yes to either of these questions, then this course is for you! Test-taking strategies and practice questions that are similar to what is on the exam will be provided. You’ll have the opportunity to take a full-length practice test in each subject area. Using clear explanations, numerous examples, graphics, animation, and videos, this course will not only prepare you for the Praxis Core, but do so in a way that’s fun and interesting. Course runs for six weeks. Cost is $99. For class start dates and to register, go to www.ed2go.com/wcconed.

SAT/ACT Preparation – Part I
Master the reading, writing, English, and science questions on the ACT and SAT. In addition to preparing you for the specific question types on both exams, you will be provided with pointers in time management, anxiety relief, scoring and general standardized test-taking. Course runs for six weeks. Cost is $99. For class start dates and to register, go to www.ed2go.com/wcconed.

SAT/ACT Preparation – Part II
Master the math questions on the ACT and SAT. In addition to preparing you for the specific question types on both exams, you will be provided with pointers in time management, anxiety relief, scoring and general standardized test-taking. Course runs for six weeks. Cost is $99. For class start dates and to register, go to www.ed2go.com/wcconed.

For more information about Personal Enrichment classes, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190.

COURSE IDEAS NEEDED
We are always looking for new classes to offer the community. If you have special knowledge or a skill that you would like to share with others, please complete a course proposal. Visit our website at wccc.edu/CEproposal for a course proposal form and to view directions and deadlines for submission.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

Unless otherwise noted, classes are for ages 18 and older.
Safe Driving

AARP Smart Driver Course
This two-session classroom driver retraining program is designed to help adults age 50 and better improve their driving skills. The class covers the effects of aging and medications on driving, basic driving rules, license renewal, local traffic hazards, adverse road conditions, energy saving and accident prevention measures. $20 material fee payable at first class (check or money order only made payable to AARP, no cash). The fee is only $15 if you are a member of AARP (membership card must be presented).
NOTE: You must be age 50 or older, have a valid driver’s license and attend both sessions to receive a certificate.
RSVL 2150-01 Monday & Tuesday, June 19 & 20, 6-10 p.m.

Four-Hour Refresher
This class will teach you how to handle adverse driving conditions and traffic hazards, in addition to learning about the effects of aging and medications on driving. Prerequisite: AARP Driver Safety eight hour class. You must bring the safety certificate from prior 55 Alive Driver Safety class as proof of completion. $20 material fee payable at first class (check or money order only made payable to AARP, no cash). $15 for AARP members (membership card must be presented)
RSVL 2154-10 Tuesday, August 8, 9 a.m.-1 p.m.

Pet Care

Basic Dog Obedience
This course teaches owners how to train a dog in obedience basics, the responsibilities owners have with pets and neighbors and proper care in areas such as noise, cleanup and breeding. Minimum dog age: four months. Requires a certificate from a veterinarian showing PHL w/Parvo given within the last nine months and rabies within the last two years. Bring your dog on a leash. Arlene Halloran, $55 tuition
NTRX 1360-01 8 Tuesdays starting
June 20, 6:30-7:30 p.m. (no class July 4) (Science Hall Parking Lot)

Advanced Dog Obedience
This course offers advanced training for those dogs that have learned the basics and are ready to learn to work without leashes and prepare for obedience showing. Learn advanced commands, including retrieving and drop on recall. All dogs will be evaluated for prior training. Arlene Halloran, $55 tuition
NTRX 1351-01 8 Tuesdays starting
June 20, 7:30-8:30 p.m. (no class July 4) (Science Hall Parking Lot)

FREE Motorcycle Safety Classes at Westmoreland County Community College
The Pennsylvania Motorcycle Safety Program offers free training classes at the Youngwood Campus.
The MSP teaches riders of all skill levels the basic fundamentals needed to safely operate a motorcycle.
Courses are free to Pennsylvania residents with a valid motorcycle permit or motorcycle license. Visit www.pamsmp.com to create a profile now. You may also call 1-800-845-9533 for more information.

For textbook prices and information, visit westmoreland.edu/bookstore.

Become a more efficient and organized project manager through the use of Microsoft Project. You can manage your project and resources, schedule tasks, track progress, generate reports and monitor budgets with Project. You should have basic project management and Microsoft Office application knowledge. Textbook available at the college bookstore. Robert Peretti, $95 tuition + required textbook, 1.2 CEUs
DAPX 5359-10 4 Wednesdays starting July 26, 6-9 p.m.

QuickBooks
Manage the financial aspects of your small business quickly and efficiently with this powerful accounting software program. QuickBooks is designed especially for the small to midsized business owners to create and print invoices, track payables and receivables, and more. Cost is $99. New course sessions begin monthly. For class start dates and to register, go to www.ed2go.com/wcconed.
Six Sigma: Total Quality Application

Learn how to effectively apply the elements and methods of Six Sigma. Understand how more than 25 tools and methods relate to the DMAIC (define, measure, analyze, improve, and control) model. Determine the relationship of basic statistics to Six Sigma and learn about the Six Sigma business case including strategic planning, the voice of the customer (VOC), quality function deployment (QFD), benchmarking, and financial investment methods. Discover how to use brainstorming, Pareto charts, and critical to quality help define processes, problems, and opportunities. Master the use of other key tools such as cause and effect diagrams, check sheets, scatter diagrams, failure mode and effects analysis (FMEA), and force field analysis. This course will help you prepare for the internationally-recognized Six Sigma Black Belt and Quality Manager exams offered by the American Society for Quality® (ASQ®). Cost is $99. New course sessions begin monthly. For class start dates and to register, go to www.ed2go.com/wcconed.

ServSafe

You now have two options to earn your ServSafe Food Safety Certification. Gain academic credits in addition to your certification by attending the ServSafe Blended class that combines face-to-face and online delivery. You can also attend the noncredit class that is a combination of self-study and face-to-face class time.

Food Safety Certification – ServSafe (Non-Credit offering)

A study of food and the methods needed to control contamination and microbial growth. The principles of HACCP and food safety standards and regulations will be presented. Emphasis is given to developing a working environment which will provide the consumer with wholesome, safe food that conforms to the standards of the regulatory agencies. This course is offered in conjunction with the Educational Foundation of the National Restaurant Association. Class total hours are 16. Classes meet two times face-to-face with an additional 8-hour self-study component. You must complete all 16 hours to be eligible to sit for the Servsafe certification exam. To be eligible to apply to the Pennsylvania Department of Agriculture for the Food Employee Certification, you must successfully pass the ServSafe exam (75%). The textbook, ServSafe Manager, 6th Edition, is available in the college bookstore. Please purchase textbook and read before the first class. Answer sheets can be purchased separately. Registration Deadline: June 12. No Refunds after the registration deadline.

For more information, call Becky Lauffer at 724-925-4082. $99 tuition + $2 material fee, 1.6 CEUs.

MEDX 7495-01 2 Mondays, June 17 & 26, 5-9 p.m., and 8 hours self-study

Certification exam will occur on the second class day.

Food Safety Certification ServSafe Blended Classes (Credit offering)

A study of food and the methods needed to control contamination and microbial growth. The principles of HACCP and food safety standards and regulations will be presented. Emphasis is given to developing a working environment which will provide the consumer with wholesome, safe food that conforms to the standards of the regulatory agencies. Please note that the Senior Citizen Tuition Waiver does not apply to Ed2go classes. No credits nor CEUs are awarded for Ed2go classes.
**NEW - AC/DC Electrical Systems**
By taking this online AC/DC Electrical Systems course, you will learn the fundamentals of AC/DC electrical systems used for power and control in industrial, commercial, agricultural, and residential applications using Amatrol’s virtual training technology. You will learn industry-relevant skills included in subject areas such as basic electrical circuits, electrical measurement, circuit analysis, inductance and capacitance, combination circuits and transformers. $275 material fee, 3.0 CEUs
ATCX 1010-W1 June 1-December 31 (online)

**NEW - AutoCAD Fundamentals**
AutoCAD Fundamentals is designed to introduce you to the basic fundamentals of the software and will allow you to progress to an intermediate level of understanding of the methods of creating and editing drawings using AutoCAD software. You will be able to advance from beginning to intermediate skill levels in the use of AutoCAD. Amber Long, $410 tuition 2.4 CEUs
DAPX 0113-A1 4 Mondays & Tuesdays starting June 5, 5-8 p.m. (Advanced Technology Center)

**NEW - AutoDesk Inventor 3D CAD Basic Skills**
Create and edit parts, make engineering drawings, and prepare for manufacturing by using only your keyboard and mouse! This course will allow you to design items in a virtual world and prepare them for 21st century production as you explore the capabilities of this industry-standard software. Topics include the parametric and editing module, the 3D drawing module, the assembly module and the presentation module for assemblies. Textbook available at the college bookstore. George Slezak, $410 tuition + required textbook, 2.4 CEUs
DAPX 0115-A1 8 Thursdays starting June 8, 5-8 p.m. (Advanced Technology Center)

**NEW - Basic Hydraulics**
Basic Hydraulics introduces hydraulic power use and application, allowing you to develop skills and knowledge needed to apply hydraulics in modern industry. You will develop skills in hydraulic power & safety, hydraulic schematics, the principles of hydraulic pressure and flow, and hydraulic speed control circuits. Pumps, fluid friction, how to connect hydraulic circuits, hydraulic cylinders and valves (including needle valves) and a wide array of hydraulic applications will also be discussed. $275 material fee, 3.0 CEUs
ATCX 3010-W1 June 1-December 31 (online)

---

**The Youngwood Campus Bookstore will be closed for inventory June 28, 29 & 30.**
Nursing CEU Courses – Online Options

Westmoreland offers both face to face and online classes to satisfy the state licensure requirement. To meet your 30 hour CEU requirements, choose from the courses listed with the ♦ symbol.

Westmoreland partners with Ed2go to offer the following online courses. Six weeks of instruction. 24-hour access. New course sessions begin monthly. For class start dates and to register, go to www.ed2go.com/wcconed.

Nursing CEU Credentialing for these online classes are accredited through Allegra Learning Solutions, LLC.

♦ Certificate in Energy Medicine ♦
Explore the use of healing energy medicine techniques in health care, including meditation, acupuncture, qigong, sound and music therapy, and gentle hand techniques such as Reiki and reflexology.
(10 contact hours)

♦ Certificate in Infectious Diseases and Infection Control ♦
Designed for healthcare and medical professionals, this certificate program offers insights into common infectious diseases and procedures for controlling their spread.
(13 contact hours)

♦ Certificate in Food, Nutrition and Health ♦
In this certificate program, you’ll gain a holistic overview of current food and nutrition issues and their impact on physical, social, emotional, and spiritual health.
(16 contact hours)

♦ Certificate in Violence Prevention and Awareness ♦
Designed for medical professionals, this certificate program offers important insights into the signs of violence that may be presented by patients in a healthcare setting.
(13 contact hours)

♦ Certificate in Global Healing Systems ♦
Deepen your knowledge of medical treatment by exploring alternative health care practices from India, China, Eastern Europe, and Central, North, and South America.
(13 contact hours)

♦ Spanish for Medical Professionals 1 ♦
Are you struggling to communicate with your Spanish-speaking patients? If so, here’s the perfect solution. Whether you’re new to the Spanish language or just want a refresher, this fun and simple course will give you the basic tools you need to bridge the communication gap. By the end of this course, you’ll have a strong foundation in basic medical Spanish that you can build on for years to come.
(24 contact hours)

Becky Lauffer
Announces Retirement

After 27 years at Westmoreland County Community College serving the educational and training needs of the health care and emergency medical services communities, Becky will retire on June 16, 2017. Vice-president Patrick E. Gerity commends and thanks Becky for her service.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
Health Care & Emergency Medical Services Professionals

Emergency Medical Technician
Prepare to be an EMT! Develop competence in the following skills during the course: patient assessment/management of a trauma patient and a medical patient; cardiac arrest management/AED; bag-valve-mask ventilation of an apneic patient; spinal immobilization (both seated and supine patient); long bone fracture immobilization; joint dislocation immobilization; traction splinting; bleeding control/shock management; upper airway adjuncts and suction; mouth-to-mouth ventilation with supplemental oxygen; and supplemental oxygen administration to a breathing patient. The curriculum follows the new National EMS Education Standards. You must be 16 years old to register. You will be required to submit a PA Criminal History report, Child Abuse clearance, FBI clearance, evidence of 2-step mantoux current within the year, 11 panel urine drug screen, and evidence of immunizations prior to patient contact experiences. Upon successful completion of this class, ICS 100, NIMS 700 and HazMat certification, you will be eligible to take the state certification exam and the National Registry Exam. (Registry exam fees not included). Textbook available at the college bookstore. Stephen Zimmerman, $595 tuition + $25 material fee + required text

Youngwood: Lecture & Clinical: Monday through Thursday, 9 a.m.-1:15 p.m., June 5-July 31 (no class July 4)
Application deadline: May 30

For more information, go to westmoreland.edu/emt, or contact Becky Lauffer, RN, BSN at 724-925-4082 or laufferb@westmoreland.edu.

Health Care Certificate Programs

Nurse Aide Program
This program consists of 72 hours of lecture and 56 hours of clinical and provides the skills to function as a nurse aide in a long-term care facility and meets the mandates of the federal government (via OBRA). After successful completion of the program, you will be able to function at the entry level and be eligible to take the Pennsylvania Nurse Aide Certification exam. 12.8 CEUs will be awarded. You must complete a criminal history report and physical exam prior to enrollment. Textbook available at the college bookstore. $599 tuition + $10 material fee + required text
Youngwood: Lecture & Clinical: Monday through Thursday, 9 a.m.-1:15 p.m., June 5-July 31 (no class July 4)
Application deadline: May 30

For more information, go to westmoreland.edu/nurseaide, or contact Becky Laiffer, RN, BSN at 724-925-4082 or laufferb@westmoreland.edu.

Health Care and Emergency Services Professionals

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

Unless otherwise noted, classes are for ages 18 and older.
American Heart Association (AHA) Courses
The AHA strongly promotes knowledge of and proficiency in CPR and has developed instructional material for this purpose. Although these CPR courses are not sponsored by any AHA component, some or all materials utilized by faculty or students may be AHA materials supplied on a cost basis. Any fees charged for these courses do not represent income to the AHA. The AHA now requires students to purchase the appropriate CPR textbook prior to class. Instructor manuals are also required for instructor classes and instructor renewals.

Advanced Cardiac Life Support (ACLS)
Designed for health care providers to enhance their skills in the treatment of an adult victim of a cardiac arrest or other cardiopulmonary emergencies. You will engage in simulated clinical scenarios that encourage active hands-on participation. Practical and written evaluations are required. A current Basic Life Support for Health Care Providers CPR card, a working knowledge of rhythm strip interpretation and completion of ACLS pretest are required for admittance. Registration closes one week prior to the start date of the class due to pre-course requirements. Textbook available at the college bookstore. $97 tuition + $10 material fee + required textbook (review of textbook prior to class is required), 1.35 CEUs from Westmoreland, 13.5 ConEd credits from PA DOH
MEDX 0040-01 Wednesday, June 7, 8 a.m.-3 p.m.
MEDX 0040-02 Wednesday, June 21, 8 a.m.-3 p.m.
MEDX 0040-10 Thursday, July 6, 8 a.m.-3 p.m.
MEDX 0040-11 Wednesday, July 12, 8 a.m.-3 p.m.
MEDX 0040-12 Wednesday, July 26, 8 a.m.-3 p.m.
MEDX 0040-13 Wednesday, August 9, 8 a.m.-3 p.m.
MEDX 0040-14 Wednesday, August 16, 8 a.m.-3 p.m.
MEDX 0040-15 Wednesday, August 23, 8 a.m.-3 p.m.

Advanced Cardiac Life Support (ACLS) Renewal
Provides previously trained health care providers a renewal of their Advanced Cardiac Life Support status upon successful completion of written and practical skills. A current ACLS card and completion of the ACLS pretest are required for admittance. Registration closes one week prior to the start date of the class due to pre-course requirements. Textbook available at the college bookstore. $61 tuition + $10 material fee + required text (review of textbook prior to class is required), .625 CEUs from Westmoreland, 6.25 ConEd credits from PA DOH
MEDX 0040-01 Wednesday, June 7, 8 a.m.-3 p.m.
MEDX 0040-02 Wednesday, June 21, 8 a.m.-3 p.m.
MEDX 0040-10 Thursday, July 6, 8 a.m.-3 p.m.
MEDX 0040-11 Wednesday, July 12, 8 a.m.-3 p.m.
MEDX 0040-12 Wednesday, July 26, 8 a.m.-3 p.m.
MEDX 0040-13 Wednesday, August 9, 8 a.m.-3 p.m.
MEDX 0040-14 Wednesday, August 16, 8 a.m.-3 p.m.
MEDX 0040-15 Wednesday, August 23, 8 a.m.-3 p.m.

Pediatric Advanced Life Support (PALS)
Utilizing a scenario-based team approach, pediatric health care providers will be taught how to efficiently and effectively manage critically ill infants and children. Practical and written evaluations are required. A current Basic Life Support for Health Care Providers CPR card, a working knowledge of rhythm strip interpretation and completion of PALS pretest are required for admittance. Registration closes one week prior to the start date of the class due to pre-course requirements. Textbook available at the college bookstore. $97 tuition + $10 material fee + required textbook (review of textbook prior to class is required), 1.4 CEUs from Westmoreland, 14 ConEd credits from PA DOH
MEDX 6822-01 Wednesday, June 14, 8 a.m.-4:30 p.m., Thursday, June 15, 8 a.m.-2:30 p.m.

The Youngwood Campus Bookstore will be closed for inventory June 28, 29 & 30.

For textbook prices and information, visit westmoreland.edu/bookstore.
Pediatric Advanced Life Support (PALS) Renewal
Provides previously trained health care providers a renewal of their Pediatric Advanced Life Support status upon successful completion of written and practical skills. A current PALS card and completion of the PALS pretest are required for admittance. Registration closes one week prior to the start date of the class due to pre-course requirements. Textbook available at the college bookstore. $61 tuition + $10 material fee + required text (review of textbook prior to class is required), .85 CEUs
MEDX 1101-01 Monday, June 5, 6-10:45 p.m.
MEDX 1101-N1 Monday, June 5, 5-9:45 p.m. (Westmoreland-Indiana County)

MEDX 1101-10 Monday, July 10, 6-10:45 p.m.
MEDX 1101-11 Thursday, August 3, 6-10:45 p.m.

For more information about classes for Health Care Professionals, contact Becky Lauffer, coordinator/Emergency Medical Services & Health Care Continuing Education Programs, at 1-800-262-2103, ext. 4082.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
Basic Life Support for Health Care Providers (BLS/HCP) – Renewal
Renew your basic life support for health care providers by reviewing the 2015 AHA Guidelines. You will review the latest adult, child and infant CPR skills for one and two rescuers; practice skill development and foreign-body airway obstructions; the integration of an AED into adult and pediatric CPR and rescue breathing using barrier devices and the bag-valve mask. A current BLS for Health Care Providers CPR card is required for admittance. Written exam and skills evaluation required. Textbook available at the college bookstore. $35 tuition + $11 material fee + required text (review of textbook prior to class is required), .35 CEUs
MEDX 1106-N1 Tuesday, June 13, 6-9:30 p.m. (Westmoreland-Indiana County)
MEDX 1106-01 Thursday, June 15, 6-9:30 p.m.
MEDX 1106-10 Monday, July 10, 6-9:30 p.m.
MEDX 1106-11 Wednesday, August 16, 6-9:30 p.m.

Heartsaver CPR AED with Pediatric AED
A classroom, video-based, instructor-led, American Heart Association course that teaches adult and child CPR and AED use, as well as how to relieve choking. Teaches skills with AHA’s research-proven Practice-While-Watching (PWW) technique, which allows the instructor to observe you, provide feedback and guide your learning of skills. For anyone with limited or no medical training who needs a course completion card in CPR and AED to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. Textbook available at the college bookstore. $29 tuition + $9 material fee + required text (review of textbook prior to class is required), .4 CEUs
MEDX 1019-01 Tuesday, June 20, 6:30-9:30 p.m.

Heartsaver First Aid
A classroom, video-based, instructor-led, American Heart Association course that teaches critical skills to respond to and manage an emergency in the first few minutes until emergency medical services (EMS) arrives. You will learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. For anyone with limited or no medical training who needs a course completion card in first aid to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. This course meets OSHA-compliant first aid training requirements. Textbook available at the college bookstore. $25 tuition + $9 material fee + required text (review of textbook prior to class is required), .3 CEUs
MEDX 3028-01 Tuesday, June 20, 6:30-9:30 p.m.

Heartsaver First Aid: Adult/Child AED & CPR & Infant CPR
The AHA First Aid course incorporates basic first aid skills with adult CPR and automated external defibrillators (AEDs). It is designed for those in the workplace needing OSHA-compliant first aid and CPR training. The course includes instruction on rescuer safety, medical and injury emergencies, adult CPR and the AED and environmental emergencies. Wounds, bleeding, shock, stroke, allergic reactions, joint and muscle injuries, choking, bites and stings, heat and cold emergencies and poisonings are covered. The Heartsaver CPR/First Aid textbook is required. A course card is awarded upon successful completion. Textbook available at the college bookstore. $49 tuition + $9 material fee + required text (review of textbook prior to class is required), .8 CEUs
MEDX 3029-10 Tuesday & Thursday, August 7 & 9, 6-10 p.m.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

Unless otherwise noted, classes are for ages 18 and older.
Firefighter

A class schedule for firefighters can be found at westmoreland.edu/classes. The schedule will also be sent to the fire departments.

For more information about Firefighter classes, contact Marc Jackson, director, Public Safety Training Center, at 724-872-2447 or jacksonmarc@westmoreland.edu.

Municipal Police Officers’ Training Academy

Established in 1979, the Westmoreland County Community College Municipal Police Officers’ Training Academy has graduated nearly 800 cadets who now serve and protect their communities at the local, county, state and federal levels.

Features of the Westmoreland Police Academy include:

- Full-time class begins in early June 2017
- 15 transferrable college credits can be applied toward Westmoreland’s Criminal Justice Program, which can then be transferred to a four-year university.

Go to www.westmoreland.edu/policeacademy for further information.

If you have questions after reviewing the website, please contact Franklin Newill at 724-925-4298 or newillf@westmoreland.edu.

NOTE: Many applicants to the police academy fail the entrance physical fitness examination. Don’t let this happen to you. Download the Municipal Police Officers’ Training Academy Cadet Handbook, available at the above website link and review the physical fitness program suggestions outlined in the handbook. You are encouraged to begin a physical fitness program.

For textbook prices and information, visit westmoreland.edu/bookstore.
PUBLIC SAFETY

ACT-165 Waiver Program

Attention former Federal Law Enforcement & Military Police Officers

The ACT-165 Waiver Program is a Municipal Police Officers’ Training and Education Commission (MPOETC) waiver program for former Federal Law Enforcement Officers (FLEO) and former Military Police (MP) officers who want to be municipal police officers. The FLEOs and MPs must be approved by MPOETC to participate in the program. The program is 287 hours of training. MPOETC may determine that additional training is required in HAZMAT, EVOC, Firearms, First Aid and CPR. Upon successful completion of the course, participants can take the state certification exam to become municipal police officers in the state of PA.

Westmoreland offers the ACT-165 Waiver Program in conjunction with the police academies. Approved FLEOs and MPs attend class with the cadets in the police academies only on the days required ACT-165 curriculum is being presented.

You can view the ACT-165 partial waiver requirements and obtain the application at www.mpoetc.state.pa.us.

ACT 180 – MANDATORY IN-SERVICE CLASSES FOR CERTIFIED POLICE OFFICERS

The 2017 mandatory, in-service program requires all Municipal Police Officers to complete twelve (12) hours of training exclusive of administrative and examination time. There are two (2) MPOETC mandated classes in 2017 (2017 Legal Updates and Procedural Justice and Police Legitimacy). There is no requirement you take all subject areas of training at the same location or on consecutive days.

Westmoreland will provide the instruction and the examinations and record the trainings as completed in the MPOETC officer training records.

Cost to attend the 2017 MPOETC sponsored MIST 180 classes is $15.00 per officer per class.

For complete descriptions and schedule of 2017 classes, go to westmoreland.edu/act180.

If you have questions, please contact Franklin Newill at 724-925-4298 or newillf@westmoreland.edu.

Municipal Police Department Registration & Payment Process

To register for the 2017 mandatory in-service classes, call Westmoreland County Community College telephone registration at 1-800-262-2103, extension 4204 or 724-925-4204. Be prepared to provide the officer’s name, contact information (home address, etc.), course code of the desired class(es), and the name of the police department responsible for payment. Registrations may be made by the individual police officers. The police department identified at time of registration will be invoiced.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
7th-12th Graders

Explore careers through hands-on activities and demonstrations. The camps are held in college classrooms and labs. It’s your opportunity to experience college life and a potential career while learning new skills and having fun!

Week of June 5–June 9

3D Printed Dragster
Experience the new technology of 3D printing. Begin by designing a dragster using Inventor or SolidWorks software. After you learn the fundamentals and capabilities of 3D printing and 3D printers, your design will be printed in pieces on a 3D printer using ABS plastic. The final steps will be the assembly of the dragster and customization using an oil-based paint. All materials will be provided. You will keep your dragster. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Ryan McCurdy, $85 tuition + $19 material fee
SCHX 5905-A1 Monday through Friday, June 5-9, 8:30 a.m.-12:30 p.m.
(Advanced Technology Center)

Health Professions Explorers Camp
Explore the health care careers (nursing, medical assisting, phlebotomy, dental, radiology and sonography) offered at Westmoreland. You will experience a few specific aspects of each career through hands-on activities and learn about the job duties and educational requirements for the different careers. Latex products will be used. Sue Snyder, MSN, RN; Joan Donofrio, MA, RDH, CDA, EFDA, PHDHP; Angela Rinchuse, RDH, M.Ed.; Mary Kay Huesdash, MA, RDH, CDA; Amy Voytek, MBA/MHA, MT, CT; Sue Scheible, MBA, RT(R); Juliene Erb, MS, RDMS, RVT; Annette Kostelnik, MSN, RN; Tara Smith, MSN, RN; $85 tuition + $32 material fee
SCHX 3043-01 Monday through Friday, June 5-9, 8:30 a.m.-12:30 p.m.

Spanish Language and Culture
You will be introduced to conversational Spanish while learning about the culture in South America with an emphasis on Peru. Practice grammar and pronunciation through activities, games and conversation. The similarities and differences between North and South America in dress, music, food and entertainment will be discussed. TV commercials, short videos and movies, including internet source material, in Spanish will be used as reference. It is recommended you have some experience with the Spanish language. The instructor was born and raised in Peru. Isabel Valenzuela, $85 tuition + $7 material fee
SCHX 7904-01 Monday through Friday, June 5-9, 1-5 p.m.

Exploring Business
Get hands-on while learning the basics of business in today’s fast-paced world. Using a strategic decision-making approach, you will learn about the management, marketing, finance, accounting and human resource functions of a business. You will participate in a computer-based simulation competing as part of a team against your classmates. The camp will take place in the college’s Applied Business Lab. Craig Santicola, M.B.A., Ph.D., $85 tuition + $57 material fee
SCHX 1950-01 Monday through Friday, June 5-9, 1-5 p.m.

Parental Guidelines for Camps
- Print a Continuing Education/College for Kids form at westmoreland.edu/collegeforkids, complete and bring to class (Forms also available in the classroom.)
- Accompany your child to the classroom
- Provide emergency contact information
- Come to the classroom at dismissal each day
- Be prompt in dropping off and picking up your child
- It is suggested you send a snack and drink each day
- Guests are invited to attend the final day. Details will be provided the first day of camp.

Scholarships Available
Visit westmoreland.edu/bootcamps to apply. For more information, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190, or detars@westmoreland.edu
**CAREER EDUCATION AND EXPLORATION BOOT CAMPS**

**Week of June 12-June 16**

**Design a Dream Home**
Design your dream home using Autodesk REVIT, a Computer Aided Drafting and Design (CADD) software. You will begin with simple sketches that will be developed into a three-dimensional model. Your design will include furniture, appliances, bathroom fixtures and outside landscaping. The completed model can be converted to working drawings for construction. You will take home a 3D picture of your creation. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Douglas Gengler, $85 tuition + $14 material fee
SCHX 1352-A1 Monday through Friday, June 12-16, 8:30 a.m.-12:30 p.m. (Advanced Technology Center)

**Energy Resources and Power Plant Technologies**
Gain an insight into the various methods of generating power to fuel industry and our homes. Natural resources and the means of obtaining and modifying them to produce power will be highlighted. The traditional method of utilizing fossil fuels to generate power has both pros and cons. The use of fossil fuels has been implicated in pollution and climate change. There are several initiatives to battle these implications. Alternative means of producing power will also be discussed. While building your understanding of available energy sources, you will be provided with information on the jobs, careers and opportunities within this industry. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Art Nagy, $85 tuition + $7 material fee
SCHX 1800-A1 Monday through Friday, June 19-23, 8:30 a.m.-12:30 p.m. (Advanced Technology Center)

**Books Influence on Movies**
Have you ever been watching your favorite television show or movie and wondered where the writers came up with the idea? Chances are the root of the story goes much further than the plot of a zombie attack or the guy trying to get the girl. Many of the movies we enjoy today can be traced back to myths, legends and other classic works of literature. Join us as we watch movies that have classic themes including Percy Jackson, Star Wars, The Lion King, The Hunger Games and many more! Madeleine Giles, $85 tuition + $7 material fee
SCHX 0449-01 Monday through Friday, June 12-16, 1-5 p.m.

**Inspiring Leadership**
This camp will focus on how any student can be a leader regardless of age or experience. Through discussion, hands-on projects, self-discovery activities and guest speakers, you will learn the habits common to extraordinary leaders and how to apply them to yourself. Craig Santicola, M.B.A., Ph.D., $85 tuition + $7 material fee
SCHX 3118-01 Monday through Friday, June 12-16, 1-5 p.m.

**Metal Fabrication Design**
Become familiar with the operation of a plasma torch, water-jet machine, grinder, sandblaster and a TIG welder, and be exposed to metal fabrication techniques. You will be fabricating several objects. One object will be a small model car constructed of steel or aluminum. With supervision, you will have the opportunity to TIG weld the pieces of the car together. You may elect to polish or paint the car. You will keep the objects you fabricate. All materials will be provided. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Allison Petroff, $85 tuition + $19 material fee
SCHX 5561-A1 Monday through Friday, June 19-23, 8:30 a.m.-12:30 p.m. (Advanced Technology Center)

**Week of June 19-June 23**

Craig Santicola, M.B.A., Ph.D., $85 tuition + $7 material fee
SCHX 3118-01 Monday through Friday, June 12-16, 1-5 p.m.

**Metals Fabrication Design**
Become familiar with the operation of a plasma torch, water-jet machine, grinder, sandblaster and a TIG welder, and be exposed to metal fabrication techniques. You will be fabricating several objects. One object will be a small model car constructed of steel or aluminum. With supervision, you will have the opportunity to TIG weld the pieces of the car together. You may elect to polish or paint the car. You will keep the objects you fabricate. All materials will be provided. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Allison Petroff, $85 tuition + $19 material fee
SCHX 5561-A1 Monday through Friday, June 19-23, 1-5 p.m. (Advanced Technology Center)

All classes will be held at the Youngwood Campus unless stated otherwise.
Solving Social Problems through Business
Want to change the world? Have an innovative idea of how to make the world a better place? This interactive camp explores the foundations of social entrepreneurship. You will develop the framework for an innovative social venture focused on an issue you care about, and discover regional resources that can help turn your idea into a reality. Craig Santicola, M.B.A., Ph.D., $85 tuition + $7 material fee
SCHX 7695-01 Monday through Friday, June 19-23, 1-5 p.m.

Speechcraft
Develop your presentation skills by exploring the fundamentals of communication in a relaxed and enjoyable atmosphere. Through participation, you will become a more confident and poised speaker. You will learn through practice and by studying the materials provided. The skills gained will benefit you at work and in college. Speechcraft will improve your performance in conducting and participating in meetings, interviewing for jobs and solving problems. Speechcraft is your key to being a successful, confident communicator. Guests are invited to the last class to hear final speeches. Registration ends June 15. Paulette Harvey, Distinguished Toastmaster, $85 tuition + $12 material fee
SCHX 7699-01 Monday through Friday, June 26-30, 8:30 a.m.-12:30 p.m.

Road to Revolution: America’s Path to Independence
This exciting story will introduce young learners to the origins of American Independence. We understand that the 4th of July is a national holiday, but how often do we learn about the events that led to that important date? The years 1763 – 1776 were some of the most important years in our nation’s history. You will learn about the decade that drove famous early Americans such as George Washington, John Adams, Thomas Jefferson, and Pennsylvania’s own Benjamin Franklin, to create the United States. From loyal British colony to independent nation, you will explore the birth of our nation through discussions, lectures and the words of those that lived during that important time. $85 tuition + $7 material fee
SCHX 7200-01 Monday through Friday, June 26-30, 8:30 a.m.-12:30 p.m.

Solar Dragster Construction
Construct a solar dragster and watch it move as the solar cells turn light energy into electrical energy. You will assemble, wire, solder and test your solar dragster. The assembly pack includes a motor, 200mA solar cells, wheels, axles, axle holders, washers, gear set and a wooden base. A friendly race will be held on the final day. All materials will be provided. You will keep your dragster. Wear long pants and closed-toed shoes. The camp will be held at the college’s Advanced Technology Center in Mt. Pleasant. Registration ends June 12. Rich Houlis, $85 tuition + $19 material fee
SCHX 7815-A1 Monday through Friday, June 26-30, 1-5 p.m. (Advanced Technology Center)

Food Network Challenge
(Ages 14 to 17)
You’ve seen chefs compete on TV. Now it’s your turn. With the guidance of a coach, teams will develop menus and prepare food using only the ingredients provided. A panel of judges will critique the creations each day. You will practice culinary skills and cooking methods, such as cutting, measuring and sautéing on the first day with the remaining days used for the competition. A 5-inch Santoku knife and standard paring knife are included in the cost of the camp. Open-toed shoes, sleeveless tops, shorts and capris are not permitted in the kitchen. Wear non-skid shoes and bring an apron. Registration ends June 12. Chef Scott Schmucker, Ed.D. CEC, CCE, $85 tuition + $57 material fee
SCHX 2160-01 Monday through Friday, June 26-30, 1-5 p.m.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
CAREER EDUCATION AND EXPLORATION BOOT CAMPS

Week of July 10–July 14

Zentangle Art Journey
Do you like to color? Kick it up and try Zentangle! It is a start from scratch, easy to learn, relaxing, fun way to create beautiful images by drawing structured patterns. Turn stick figures into abstract art, no talent required! Art kit included. Registration ends June 29. Paulette Harvey, $85 tuition + $22 material fee
SCHX 9980-10 Monday through Friday, July 10-14, 8:30 a.m.-12:30 p.m.

Tour of World Cuisines
(Ages 14 to 17)
A cuisine is a style of cooking based on practices and traditions of a specific region, culture or country. The availability of ingredients and religious food laws also influence culinary practices. Each day, you will practice a skill, such as chopping, and prepare classical cuisines from a different country. Italy, Japan, Mexico, Greece and Poland will be highlighted. A 5-inch Santoku knife and standard paring knife are included in the cost of the camp. Open-toed shoes, sleeveless tops, shorts and capris are not permitted in the kitchen. Wear non-skid shoes and bring an apron. Registration ends June 26. Chef Scott Schmucker, Ed.D., CEC, CCE, $85 tuition + $57 material fee
SCHX 8465-10 Monday through Friday, July 10-14, 8:30 a.m.-12:30 p.m.

Fantastic Beasts
Ever wonder why Nifflers love valuables so much? Could Billywigs exist? You will not only take a look at text to film adaptation, but explore the origins of Fantastic Beasts and Where to Find Them including mystical medieval bestiaries, exciting mythological tales, and other various texts while also often diving into the familiar world of Harry Potter. Book included. Registration ends June 28. Samantha Vertosick, $85 tuition + $17 material fee
SCHX 2100-10 Monday through Friday, July 10-14, 1-5 p.m.

Week of July 17 – July 21

Women in Comics
Interested in the worlds of Black Widow, Ms. Marvel, Harley Quinn and…Hawkeye? You read that right—Hawkeye! You will explore comic books and comic book films to take a look at the role of women and men in order to discuss and discover problems within the comic industry occurring in our recent history and today. Registration ends June 29. Samantha Vertosick, $85 tuition + $17 material fee
SCHX 9020-10 Monday through Friday, July 17-21, 8:30 a.m.-12:30 p.m.

Young Investors
You are never too young to learn good financial habits. Through activities, discussions and guest speakers, you will be exposed to the fundamentals of financial education, such as goal setting, planning, investment analysis, diversification, asset allocation (stocks, bonds, and mutual funds), and risk and return. Craig Santicola, M.B.A., Ph.D., $85 tuition + $7 material fee
SCHX 9900-10 Monday through Friday, July 17-21, 1-5 p.m.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
CAREER EDUCATION AND EXPLORATION BOOT CAMPS

Week of July 24 – July 28

**Portrait Drawing from Life**
Passionate about drawing? Join us to learn the fundamental techniques of portrait drawing and end with a self-portrait. You will be introduced to portraiture and the steps to take to draw a portrait, such as how to begin, what to think about when drawing from observation, breaking things down to their simplest form and drawing what you see. Each day will begin with warm-up exercises and end with an informal critique and a discussion about what was learned. Examples from art history as well as contemporary artists will be used throughout the week to enrich your art making experience. An art supply list will be mailed to you. Registration ends July 12. Kenneth Nicholson, M.F.A., $85 tuition + $7 material fee
SCHX 6745-10 Monday through Friday, July 24-28, 8:30 a.m.-12:30 p.m.

**Creative Writing**
Interested in writing or want to become a better writer? Join us to explore the different kinds of creative writing, such as poetry and narratives, and how to use writing as a tool to further academic and career goals. These applications will include writing effective E-Mails, creating a resume and forming college entrance essays. We will work together in a computer lab where you will use writing to express your creativity and help you reach your goals. Madeline Giles, $85 tuition + $7 material fee
SCHX 1055-10 Monday through Friday, July 24-28, 1-5 p.m.

**Scholarships Available.**
Visit westmoreland.edu/bootcamps to apply. For more information, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190. or detars@westmoreland.edu

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
Parental Guidelines for College for Kids

- Print a Continuing Education/College for Kids form at westmoreland.edu/collegeforkids, complete and bring to class (Forms also available in the classroom.)
- Accompany your child to the classroom
- Provide emergency contact information
- Come to the classroom at dismissal each day
- Be prompt in dropping off and picking up your child

Dining Etiquette Dos and Don’ts (Ages 10-17)
Whether eating with family at home, dining at a favorite restaurant, or having dinner with friends, table manners (dining etiquette) is an important part of every meal. This interactive dining experience will provide young diners with the basic dining etiquette to lay the groundwork for becoming a pleasant dining companion. Cindy Komarinski, Ph.D., CCC, CCE will coach the young diners as they enjoy a meal that includes many dining challenges, such as twirling pasta, eating an olive with a pit, cutting a tomato and buttering their dinner roll. Dr. Komarinski is the Dean of the School of Health Professions & School of Culinary/Hospitality Programs at Westmoreland County Community College. Registration closes June 19. $19 tuition + $20 material fee
PRDK 1365-96 Tuesday, June 27, noon-2 p.m.

Heartsaver CPR AED with Pediatric AED
A classroom, video-based, instructor-led, American Heart Association course that teaches adult and child CPR and AED use, as well has how to relieve choking. Teaches skills with AHA’s research-proven Practice-While-Watching (PWW) technique, which allows the instructor to observe you, provide feedback and guide your learning of skills. For anyone with limited or no medical training who needs a course completion card in CPR and AED to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. This course meets OSHA-compliant first aid training requirements. Textbook available at the college bookstore. $29 tuition + $9 material fee + required text
MEDK 1019-96 Tuesday, June 13, 9 a.m.-1 p.m. (Ages 9-13) MEDK 1019-97 Friday, June 16, 9 a.m.-1 p.m. (Ages 14-17)

Heartsaver First Aid
A classroom, video-based, instructor-led, American Heart Association course that teaches critical skills to respond to and manage an emergency in the first few minutes until emergency medical services (EMS) arrives. You will learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. For anyone with limited or no medical training who needs a course completion card in first aid to meet job, regulatory or other requirements. Two-year certification awarded upon successful completion. Textbook available at the college bookstore. $29 tuition + $9 material fee + required text
MEDK 3028-96 Tuesday, June 20, 9 a.m.-noon (Ages 9-13) MEDK 3028-97 Friday, June 23, 9 a.m.-noon (Ages 14-17)

For more information about College For Kids classes, contact Sylvia Detar, director/Continuing Education, 1-800-262-2103, ext. 4190.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
Snapology is a term used to describe a learning concept that combines play with education. Children learn math, science, technology, engineering and literacy concepts using Lego bricks and other similar building tools.

The camps below are provided through a partnership with Snapology.

**Adventures with Lego Star Wars (Ages 7-14)**
Star Wars, Star Wars and more Star Wars. Children will participate in Star Wars themed activities. They will build scenes from the movie, build ships, light sabers, you name it. Bring a snack and drink.
Snapology staff, $185 tuition
PRDK 4852-96  Monday through
Thursday, June 19-22,
8:30 a.m.-12:30 p.m.

**NEW - Game Bots (Ages 7-14)**
Calling all gamers! Your child will have a blast creating robotic games each day while learning about robotics. Children will learn about gear ratio, sensors, programming and pulleys as they create fun to play games. Whether creating a robotic hockey player, go-kart or a ring toss, your child is sure to have fun building, learning and playing. Bring a snack and drink. Snapology staff, $185 tuition
PRDK 3054-96  Monday through
Thursday, June 19-22,
1-5 p.m.

**Lego Minecraft (Ages 7-14)**
Travel to Nether with Snapology, but watch out for those creepers! Children will bring Minecraft® to life using Lego® bricks. They will create their own world including animals, creepers and their very own Lego® Minecraft® character. Bring a snack and drink. Snapology staff, $185 tuition
PRDK 4858-96  Monday through
Thursday, July 17-20,
8:30 a.m.-12:30 p.m.

**NEW - Real World Robotics (Ages 7-14)**
In Snapology’s Real World Robotics, children interested in technology will create robotic models inspired by real life robotic technologies. Children will learn about gear ratio, sensors, simple machines and programming as they build alarm devices, earthquake detectors, robotic arms and more. Your child will have a blast exploring the world of robotic technologies as they build, learn and play. Bring a snack and drink. Snapology staff, $185 tuition
PRDK 7303-96  Monday through
Thursday, July 17-20,
1-5 p.m.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.

To register, call 724-925-4204 or 1-800-262-2103, ext. 4204.
KITCHEN RULES
Open-toed shoes, sleeveless tops, shorts and capris are not permitted in the kitchen. Please wear non-skid shoes.

Homemade Gnocchi (Ages 9-13)
Get your child ready for some hands-on cooking fun as we prepare homemade gnocchi from scratch accompanied by a homemade tomato sauce. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $10 material fee
FODK 2750-96 Thursday, June 8, 8:30 a.m.-12:30 p.m.

Gourmet Hamburgers & More (Ages 9-13)
Let your child’s creative culinary side shine. Children will create their own gourmet hamburger creation. A variety of ingredients will be provided. We will also prepare delicious parmesan potatoes and chocolate dipped strawberries. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $12 material fee
FODK 2630-96 Tuesday, June 13, 8:30 a.m.-12:30 p.m.

Everybody Loves Cupcakes (Ages 9-13)
Come join us for a fun class filled with homemade cupcake making! Your child will learn how to prepare delicious homemade cupcakes from scratch along with some delicious homemade icing. Six cupcakes will be brought home. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $12 material fee
FODK 0923-96 Wednesday, June 21, 8:30 a.m.-12:30 p.m.

Summer Berries (Ages 9-13)
Come join us and prepare delicious blueberry muffins along with a wonderful summer dessert of homemade strawberry shortcake! Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $10 material fee
FODK 7554-96 Wednesday, July 19, 8:30 a.m.-12:30 p.m.

Crazy for Cookies (Ages 9-13)
Come join us for this fun two day class as we make delicious cut out sugar cookies from scratch and decorate them with royal icing. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $49 tuition + $15 material fee
FODK 0926-96 Tuesday & Wednesday, July 25 & 26, 8:30 a.m.-12:30 p.m.

Pasta 101 (Ages 9-13)
Your child will learn the basics of making homemade pasta and sauce. Italian cooking is easier than you think. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $8 material fee
FODK 6659-96 Monday, August 7, 8:30 a.m.-12:30 p.m.

Pizza Fun for Everyone (Ages 9-13)
Your child will enjoy hands-on cooking fun as he/she prepares homemade pizza from scratch, using a variety of fresh ingredients. Bring a snack and drink. It is recommended you also bring an apron. Dianne Palmieri, $29 tuition + $8 material fee
FODK 6657-96 Tuesday, August 15, 8:30 a.m.-12:30 p.m.

ENROLL EARLY! Decisions to hold a class are based upon enrollment approximately one week prior to the start date.
Baseball Pitching Clinic (Ages 9-15)
Participants will learn proper throwing mechanics and body posture along with grip, arm angle and skill sets needed to increase accuracy, arm speed and how to attack the strike zone. The mental aspect and thought processes of how to set up hitters and stay focused will also be reviewed. Bring glove, hat, water and snack. Terry Mularski, $49 tuition
PHSX 0509-01 Tuesday, Wednesday & Thursday,
June 6-8, 8:30 a.m.-12:30 p.m.

Baseball Hitting Clinic (Ages 9-15)
Participants will learn the fundamentals of proper grip, stance and swing path, as well as the mental aspect and thought processes of how to approach hitting. Bring glove, bat, hat, water and snack. Mike Draghi, $49 tuition
PHSX 0510-01 Tuesday, Wednesday & Thursday,
June 27-29, 8:30 a.m.-12:30 p.m.

Basketball Shooting Clinic (Ages 9-15)
Participants will learn the fundamentals of proper set-up, proper ball position in hand, proper ball spin and proper body set-up. They will participate in short game sequences to further develop shooting skill sets. Bring snack and drink. Gene Brisbane, $49 tuition
PHSX 0515-01 Tuesday, Wednesday & Thursday,
June 13-15, 8:30 a.m.-12:30 p.m.

Softball Fielding/Hitting Clinic (Ages 9-15)
Participants will learn the fundamentals of proper grip, stance and swing path, along with the proper foot work and arm mechanics with infield and outfield play. Bring glove, bat, hat, water and snack. Dan Terlizzi, $49 tuition
PHSX 7782-01 Tuesday, Wednesday & Thursday,
July 11-13, 8:30 a.m.-12:30 p.m.
COLLEGE FOR KIDS

2017 SUMMER SPORTS CAMPS

All sports camps will be held at the Youngwood Campus.

Call 724-925-4204 or 1-800-262-2103, ext. 4204
Monday - Friday, 8 a.m. - 5 p.m.

Tuition
Payment may be made by check and MasterCard or VISA credit cards.

Refund Policy
All refunds are calculated from the official starting date of the course. The number of days or weeks to determine refunds is calculated by counting the actual days from the starting date of the course and not by counting the course meeting dates.

All refund checks will be mailed to students and not be held for pick up.

For courses meeting one week or less:
If you officially drop before the course starts, you may be eligible to receive a 100% refund of tuition and fees. There are no refunds after this date.

For courses two weeks through four weeks:
If you officially drop through the first three days of the course, you may be eligible to receive a 100% refund of tuition and fees. There are no refunds after this date.

For courses five weeks through nine weeks:
If you officially drop through the first week of the course, you may be eligible to receive a 100% refund of tuition and fees. There are no refunds after the first week of the course.

For courses of 10 weeks through 19 weeks:
If you officially drop through the second week of the course, you may be eligible to receive a 100% refund of tuition and fees. There are no refunds after the second week of the course.

For courses 20 weeks through 29 weeks:
If you officially drop through the second week of the course, you may be eligible to receive a 100% refund of tuition and fees. If you officially drop during the third or fourth week of the course, you may be eligible to receive a 60% refund of tuition. There are no refunds after the fourth week of the course.

For courses 30 weeks or longer:
If you officially drop through the third week of the course, you may be eligible to receive a 100% refund of tuition and fees. If you officially drop during the fourth, fifth or sixth week of the course, you may be eligible to receive a 60% refund of tuition. There are no refunds after the sixth week of the course.

Tuition Reduction for Older Adults
If you are a Pennsylvania resident age 60 or older, you may be eligible for a 50 percent reduction in tuition when you enroll in continuing education classes. Enrollment with a tuition reduction is contingent upon space availability in the class. This reduction applies only to tuition charges and not to textbooks, equipment/supplies, or any fees. To enroll, call the Registration Center.

Class Cancellation
Class cancellations and college closing due to inclement weather or other emergency conditions will be announced on area radio and television stations and the Internet. As road conditions vary widely during inclement weather, you are advised to use your own judgment in deciding whether to attend classes.

Purchasing Textbooks
The Youngwood Campus Bookstore normal hours of operation are 8 a.m. - 6:30 p.m., Monday through Thursday and 8 a.m. - 5 p.m., Friday. See our website - westmoreland.edu - for extended hours of operation before and during the start of the semester. Textbooks should be purchased at the main campus in Youngwood. If you are unable to travel to the main campus, please call the bookstore at 724-925-4174 or 1-800-262-2103, ext. 4174 for other options. Most textbooks are available at least two weeks before the beginning of each semester. Specific information concerning your textbooks and a booklist can be obtained by calling your campus bookstore.

You must contact the Registration Center to officially drop a course. If you do not officially drop, you remain obligated for all tuition and fees.
2017 Senior High Summer School Program
