

Fall 2014

Dear Westmoreland County Community College Student:

Thank you for showing your interest in La Roche College. The process of transferring to a four-year institution does not need to be difficult. To help make your transition a little smoother, we have put together this guide that outlines the transfer of credits from WCCC to La Roche College.

This guide will help you schedule your courses by demonstrating how WCCC courses will transfer to La Roche College. In addition to using this guide, I encourage you to contact us for a review of credits or to schedule a campus interview and visit.

The information contained in this guide is based on La Roche College 2014 course offerings and the **WCCC 2013-2014 Catalog**. The transfer of credits is a decision of the Registrar of La Roche College and is subject to change.

Good luck in all of your educational pursuits. We look forward to working with you.
