

Program to Program Articulation

Westmoreland County Community College Associate in Nursing (AAS) – Registered Nurse Program  
Penn State RN to Baccalaureate in Nursing

The B.S. Nursing degree is designed for Registered Nurses with an associate degree in Nursing who wish to complete a baccalaureate degree in Nursing. The evaluation of prior college courses not appearing below is done on an individual basis by the Penn State Admissions Office. Students should work closely with their academic adviser at WCCC and with the Penn State Admission office when scheduling courses.

Delivered by the College of Nursing at Penn State Fayette, New Kensington and Shenango

*Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The Nursing major at Penn State includes two courses that fulfill the US and IL requirements. In addition, the two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.*

*Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns 60 credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study*
