Dear Student:

This letter is to inform you that at this time we are unable to process further any federal aid for you because of the reasons listed below. Please take the necessary steps to resolve these issues.

- 2014/2015 Federal Student Aid report indicates that you are in **Default** on a Federal Student Loan and that you are not eligible to receive any Federal Aid until your account has been resolved. We will need official documentation from the guaranty agency that this has been resolved before any financial aid will be finalized.
