Section 2: Schedule/Class Change

By signing and dating this form, you agree to abide by the policies and procedures set forth by Westmoreland County Community College.

Withdrawal from a Class

- **From any and all credit classes:**

0-19% of a course No grade assigned

20-60% of a course "W" grades to be assigned with completion of withdrawal process - no instructor approval needed

61-89% of a course "W" with instructor approval

90-100% of a course No student initiated withdrawals for individual classes.

- This form is also used for an Official Total Withdrawal. Please check (Y) in Section 2.
- The effective date is when the Admissions/Registration Office provides the form.
- The instructor may report students and/or administratively withdrawal them if they do not engage in academically related activity (i.e., turn in assignments, take exams, etc.).
- Not attending a class is not withdrawing from a class; thus if you (the student) stop attending, you could earn an "F" in the class.

Total Withdrawals with Financial Aid

- **You (the student) must notify in writing both the Financial Aid Office and the Registration/Student Records Office the intent to withdraw.** If you receive any type of financial aid (grants, scholarships and loans) and officially withdraw from classes before the ninth week of class (60% of the semester), your financial aid will be prorated according to the U.S. Department of Education's Federal Refund Policy. A student who falls under this policy will have the appropriate percentage of his or her financial aid returned to the appropriate fund and is responsible to pay any balance remaining on the account as a result of this calculation. **If you (the student) do not attend class and do not officially withdraw, all charges will be billed to you and financial aid will be cancelled.**
